STATEMENT OF OBJECTS AND REASONS

There are no provisions in the Kerala Stamp Act, 1959 for using stamp in electronic form (e-stamp). Therefore considering the needs to render more efficient and cost effective services in the State for paying stamp duty on various instruments chargeable under the Kerala Stamp Act, 1959 and registered under Indian Registration Act, 1908 and also considering the needs to prevent fake stamp papers in the State, Government have decided to implement the system of “e-stamping” along with the existing system of stamp papers. In order to implement the said system along with the existing system, certain amendments have to be effected in the respective sections of the Kerala Stamp Act, 1959.

The Bill is intended to achieve the above object.

FINANCIAL MEMORANDUM

The Bill, if enacted and brought into operation, would not involve any additional expenditure from the Consolidated Fund of the State.

MEMORANDUM REGARDING DELEGATED LEGISLATION

Section 10B proposed to be inserted by clause 4 of the Bill seeks to empower the Government, to prescribe the duties and functions of Central Record Keeping Agency regarding issue of e-stamps.

Section 12A proposed to be inserted by clause 5 of the Bill seeks to empower the Government, to prescribe the manner in which any e-stamp in an instrument shall be defaced.

The matters in respect of which notifications may be issued or rules may be made are matters of procedures and are of routine and administrative in nature. Further, the rules are subject to scrutiny by the Legislative Assembly. The delegation of the Legislative Power is, therefore, of a normal character.
