Dear Dr. Titus,

You are aware that Sarva Shiksha Abhiyan (SSA) and Rashtriya Madhyamik Shiksha Abhiyan (RMSA) are the two flagship programmes of the Government of India for universalization of education and are being implemented in partnership with all States and UTs. While SSA aims at universalizing elementary education (classes I-VIII) for all children of the age group 6-14 years since 2000-01, RMSA aspires to provide good quality secondary education (classes IX-X) to all young persons in the age group 14-16 years since 2009-10. The programmes have significantly contributed towards laying a strong foundation for an equitable quality school education system in the country.

2. However, it has been observed that the two schemes have created an artificial divide of levels i.e. elementary and secondary within the "School Education Sector". Both the Schemes operate through separate State Implementation Societies with separate bank accounts, separate project offices and separate project personnel usually under the administrative control of Secretary, Education of a State. The institutional arrangements including for planning, budgeting, training and monitoring and evaluation are separate for both the schemes. This may have led to a duplication of efforts and personnel towards implementing similar interventions and achieving similar objectives. Many States have strived to attain convergence between the two Schemes by making one State Project Director in-charge of the implementation of both the Schemes.

4. It has, therefore, been decided that the administrative structures at various levels created for SSA and RMSA in the States may be integrated to achieve productive synergies, better co-ordination and economies of administrative costs. This would entail a single State Project Office managing both the schemes at the State level and one single implementation unit at district and sub-district levels. This will lead to an optimal utilization of budgetary allocations and effective use of human resources and institutional structures. This, in turn, will enable effective implementation of the Schemes in the schools and orient the system towards outcome-based monitoring. A creation of a single administrative structure would also assist in developing a school sector-wide strategy stressing on improvement in quality of education.

5. You are, therefore, requested to initiate necessary action at your end. I am sure that we can improve the effectiveness of our school system with your consistent support.

With regards,

Yours sincerely,

D.O. No. 2-16/2017-EE.3

5th March, 2018

Dear Sir / Madam,

Please refer to the Department's D.O. letter of even No. dated 15th November, 2017 from Secretary (SE&L) regarding initiating necessary action on integration of administrative structures at various levels created for Sarva Shiksha Abhiyan (SSA) and Rashtriya Madhyamik Shiksha Abhiyan (RMSA) to achieve productive synergies, better co-ordination and economies of administrative costs.

2. As you may be aware, in the Union Budget, 2018-19, it has been announced to treat school education holistically and without segmentation from pre-nursery to class XII. The Department is accordingly in the process of preparing an Integrated Scheme on School Education by subsuming the Centrally Sponsored Schemes of SSA, RMSA and Teacher Education (TE). A national level consultation for the purpose was held on 30th January, 2018. It is expected that the new Scheme would be rolled out from the year 2018-19.

3. At present, the SSA and RMSA schemes are being implemented through different/same State Implementing Societies created by State/UTs under Societies Registration Act, 1860. These SISs are administratively and financially controlled and administered by the concerned State/UTs. However, the Integrated Scheme on School Education would need to be operated through a single State Implementing Society (SIS). It is, therefore, requested to take necessary action immediately to designate a single SIS to facilitate the implementation of the new Scheme.

4. Kindly provide the details of the arrangements or the proposed action to be taken to me by 15th March, 2018 at maneesh.garg@nic.in and surbhajain@nic.in.

With Regards,

Yours sincerely

Maneesh Garg
