Order

In compliance with the direction contained in the judgment read 2nd above, the final seniority list of UDC as on 31.12.2011 was published vide circular read 1st above. Thereafter promotions in that cadre were made at such intervals without observing the date of occurrence of vacancy as pointed out by the Hon'ble Court as aforesaid. This was happened owing to the discrepancies occurred in the pronouncement of department test results from time to time. Normally during the month of January and July in every year is the eligible period of department test conducting by the KPSC. Since the qualification required for holding the post of UDC is passing in departmental test as specified in the special Rules, the promotion in

tune to the direction of Hon'ble High Court of Kerala in the judgment in WA No.1835/2003 and WP(C) No.24198/2009 and connected cases is possible through reassignment in terms of department test results. In the said judgment the *Hon'ble High court observed that Water Authority shall correctly ascertain the date of occurrence of the vacancies of Upper Division Clerks, on account of retirement, on account of death, or promotion, creation of vacancies by way of up gradation or otherwise. Simultaneous to the assessment of the date of occurrence of the vacancies, Water Authority shall also prepare the list of incumbents with reference to the date on which they have acquired the test qualification. Therefore, preparation of seniority list shall not made keeping in mind the principle that even if the junior acquires the qualifications prior to the senior, the assignment of seniority will have to be made with reference to the date of occurrence of the vacancy*. The said dictum laid down by the Hon'ble court was complied with in all respects and has published a conclusive final seniority list of UDC vide circular read first above. Wherein the promotions made up to 31.12.2011 was reassigned as per the direction of Hon`ble Court. That being so, the promotions ordered after 31.12.2011 warrants revision/reassignment in terms of the dictum laid down by the court as aforesaid. This was the main reason why the provisional list vide 3rd above was published here from.

Meanwhile this office has published another provisional seniority list vide circular read 5th above on the strength of circular read 4th above. On gathering the details it is irrefutable that the said provisional list was one published totally disturbing and altering the seniority established and published in compliance with the judgments as aforesaid. The said provisional list was published without application of mind and may have a reasonable apprehension that the clarification issued by the appropriate authority is having retrospective operation. But later, on verification it is clear and transparent that the *retrospective operation of law takes away or impairs an existing right by creating or imposing a new liability for an act implemented before the enactment of a law. A retrospective legislation is contrary to the general principle of prospective operation of law which regulates future acts without changing the character of past transactions carried on upon the faith of the then existing law. Thus it is intelligible that the circular read 4th above is having only prospective effect and the steps taken in this regard vide publication of provisional list read 5th above by altered the seniority position finalized vide circular read 1st above is devoid of any merit.* It is therefore settled that unless the terms of a statute expressly so provide or necessarily require it, retrospective operation should not be given to a statute so as to take away or impair an existing right or create a new obligation or impose a new liability otherwise than as regards matters of procedure. The general rule is that all statutes other than those which are merely declaratory or which relate only to matters of procedure are prima facie prospectively and retrospective operation should not be given to a statute so as to affect, alter or destroy an existing right or create a new liability or obligation. If the enactment is not expressed as

to the exact date when it to be operated, it ought to be construed as prospective only**.** This clearly means that if a circular is adversely affecting the rights of the persons on whom it is applied, then it cannot be applied in retrospectively**.** Therefore the thing which it rests on publication of said provisional list vide circular read 5th above was not satisfying with the above since there was no expressive mention about the operation. Hence the said provisional list published vide circular read 5th above can be said to be one overriding the principles of operation of a circular having no leads of its operation and thus warrants cancellation from the date of its issuance. But the undersigned constraint to leave out from the obligation of its reversal since the matter is pending in consideration before the Hon'ble High Court of Kerala vide Writ Petition read 7th above. The following chart would clearly seen that how the retrospective operation of circular 5th above affected to those who enjoyed seniority in tune to then rules and Hon'ble High Courts Judgments as well.

Draft #1 of File No KWA/HO/E9/13489/2019 Approved by Chief Engineer (HRD&GL) on 30-Jul-2020 04:

It is to be noted that the reasons aforementioned may have one among the reason for dragging the matter before the Hon'ble High Court of Kerala vide W.P. (C) No.11649/2018. Since the Kerala Water Authority has taken steps to annul the provisional seniority list published vide circular read 5th above, a draft provisional list read 6th above was prepared and submitted before the Hon'ble Court. In view of the above submission, the said writ petition was dismissed on that ground. From the above chart it is clearly and intelligibly showed that the retrospective operation of circular read 4th above is adversely affecting the rights of the persons on whom it is applied. The facts in detail regarding operation of circular read 4th above was the lone reason why the undersigned published a draft seniority list vide circular read 6th above. The said list contains 210 UD Clerks and included promotions made against the vacancies pending to be allowed as on 18.8.2011 and up to 27.02.2018. Now after considering the objections filed by the concerned a final seniority list of UDC as on 01.06.2019 is published herewith, without affecting the seniority arrived at in terms of direction of Hon'ble High Court of Kerala in WA1835/03 and WP(C) No. 24198/09 and connected cases, subject to the decision of Hon'ble High Court of Kerala in the Writ Petition read 7th above. The fixation of pay and allowances on par with this order will be made as per existing orders in force.

The existing vacancies as on 31/12/91 is 64. Against which 62 members alone were qualified for promotion and had given the date up to 31/01/1994 above. Hence the existing vacancies as on 31/07/92 came to 64-62=2nos. In addition above this office had issued promotion orders of UDC to HC as follows

1. Order NO.KWA/JB/E9/1001/91 Dated 07/01/1992-1 no.

2.Order NO.KWA/JB/E9/1001/91 Dated 29/01/1992-1 no.

3. Order NO.KWA/JB/E9/1001/91 Dated 03/04/1992-6 nos.

4.Order NO.KWA/JB/E9/1001/91 Dated 18/06/1992-2 nos.

5.Order NO.KWA/JB/E9/1001/91 Dated 31/07/1992-13 nos.

Total=23.

Hence the existing vacancies as on 31/07/92 came to 2+23=25 nos. As per rule 28 (a) of KS & SSR stipulates that declaration of probation in the lower category is an essential factor to get promotion to a higher post. Though the employees in service have acquired department test qualification during 07/92 and up to 01/1994, their probation in the entry cadre had not declared satisfactorily. Owing to above there is no justifiction in granting promotion to those department test qualified hands in view of Rule 28(a) of KS & SSR.Furthermore granting of temporary promotion evenafter an expiry of a decade of time holds not good and accordingly it has been decided to kept aloof the aforesaid vacancies till suitable hands otherwise qualified. In addition to above this office had issued 1 No. of promotion order of UDC to HC Vide OrderNo.KWA/JB/E9/1001/91 dtd.15/2/93 given back effect W.E.F 15.10.92.Hence the vaccancies as on 31.12.92 came to 25+1=26nos. Inaddition to above 13 posts of UDC created vide order No.GO(MS)No.100/93/LAD dtd.19/05/1993.Accodingly the sanctioned strength chnged to 534+13=547nos as on 05/1993.Further 26 vacancies occured at that time as detailed below due to death,retirement and by other means and during 1993 and up to 01.11.1994,38 Nos of UDCs were seen to have given promotion as HC.Hence the vacancies existed as on 1.11.1994 came to 26+13+26+38=103 and on revision of SC/ST 7 nos of vacancies arose at that time.Hence the total unfilled vacancies as on 01.11.1994 came to 103+7=110.In addition to above 5 vaccancies were occured due to by transfer appointment to the post of Divisional Accountant from UDC.Hence total vaccancies as on 01.11.1994 came to 110+5=115.
