## Project Brief

Through this projects, the PWD intends to take up strengthening the climate resilience of flood-affected transport infrastructure to be rebuilt and thus to ensure better standards of living to all sections of society.

This project includes the reconstruction of Moopainad Village Office

All the projects are meant to upgrade the existing road to make it resilient against any possible flooding in the future.

The production component of the scheme already completed in Phase I of the project under NABARD RIDF 18. The present Phase II project has been approved by RKI for an amount of Rs.64.00 Crores. This project includes provision of the schemes, viz., clear water gravity main from Kalluvayal junction to St. Mary's college existing tank, clear water gravity main from Mysore road junction to Vadachira OHSR, clear water gravity main from Odappallam junction to Nirappath OHSR, 9 lakh litres capacity OHSR at Vadachira with online booster station and 7 lakh litre capacity OHSR at Nirappath. Distribution system for total length of 104.85 Km from completed reservoir and 52.95 Km from proposed reservoir under Phase-II, amounts to Rs.64.00 Crores including last mile connectivity. **This project aims to provide 21000 FHTC's.**

The present project is to undertake farming of fishes in cages at Banasurasagar reservoir to demonstrate the technological and financial feasibility of cage farming. The ultimate objective is to popularise cage farming of fish as an alternate means for enhancing the inland fish production of the state. The project involves participation of the local population, especially 90 ST families, to provide direct employment to develop livelihood in this area.

Construction of two Smart Anganvadies in Vengappalli Panchayth.

The project is to establish 453 number of Integrated Farming Units (IFS) in Kalpetta, KozhikkodeDist.

The project is to provide eco restoration of 845 Ha of Kurumbalakotta watershed project in Kottathara GP in Wayanad district.

The project is to provide eco restoration of 800 Ha of Malayachankolly-Pangaleri water shed project in Muppainad GP in Wayanad district

Establishment of 2 number of Eco shop model outlets in Padinjarathara SKSs as part of strengthening of market network project of VFPCCK

Construction of 2 no of Farmer Markets for Paving Block laying in Kaniyambetta & Thariyode SKSs as part of strengthening of market network project of VFPCCK

It includes the sorting and segregation of non biodegradable soild waste generated in LSGIs of Wayanad district through the construction of building and purchase of machineries.

The project envisage to create viable livelihood opportunities in the AHD sector and the project components include Cattle rearing, Heifer rearing, Assistance for establishing hygienic cattle shed, Cattle feed subsidy programme, Mechanisation support programme for commercial dairy farms, Fodder plot development, Goat rearing, Backyard poultry rearing, Pig rearing, Duck rearing & Scientific calf rearing programme.

A project for participative development of the detailed and localized Map of Kerala in Open Street Map Platform, for efficient planning and implementation of programme for improving disaster resilience of the State.

Under this programme planned to roll out the SVEP in 14 flood affected blocks, which will lead to establishment of more than 16,800 new enterprises in both farm, and nonfarm sectors.

**Current Status /Remarks  
(Physical Progress)**

Agreement executed with M/s. Midland Engineering and Contracting Company - JV- M/s Rayee Gowda Construction Company on 10/03/2021. Survey and design works, utility shifting etc is in progress.

Construction works are yet to be started

Selection notice issued to the L1 bidder on 19/07/2021.  
Agreement to be executed.

Physical work is in progress

Agreement executed on 16/02/2021. Soil stabilization report is awaiting for starting the construction activities.

Physical work has started, but could not proceed now due to water logging.

Agreement Executed on 22/06/2021.

Agreement Executed on 22/06/2021.

Selection notice issued to the L1 bidder on 24/02/2021.  
L1 bidder has not executed the agreement and subsequently letter of negotiation sent to L2 bidder.

In principle sanction has been accorded.  
DPR preparation is in progress

In principle sanction has been accorded.  
DPR is completed.

Proposed for exclusion

KWA is implementing this work in 3 packages.

Components

oDistribution system ( 3 Packages) -74 KM

oFHTC-21000

Works were tendered.

Work order for Package 1 issued, supply of pipes is progressing. Also works of reservoir were started.

Work order issued for Package 2 and pipe supplied (15Km) and pipe laying completed for 7.5 Km.

Agreement executed for Package 3 and pipe laying of 13 km is completed. Also works of retaining wall at Kallupady OHSR site is progressing.

Work is progressing (45%)

Proposed date of completion: 31.05.2022.

The installation of cages and stocking of fish seed in all cages have been completed. Supply of cage nets has been completed. Inaugural Harvest was done on 22-02-2021 by Hon'ble Minister for Fisheries through online mode. Harvesting is in progress. Need based harvesting is going on to ensure maximum price realization for the produce. Second phase stocking of fish seed is progressing.

Completion of project is expected by end of August 2021

Tender processes started for the construction of Two Smart Anganwadis by Executive Engineer, LSGD-Wayanad district panchayath.

423 IFS units are completed and 30 units are ongoing.

Work completed in 605 Ha of land.

Work completed in 70 Ha of land.

Work completed.

Work not started. Work will be completed by the end of current FY.

Construction of building is not started. The pre despatch inspection of machineries has been completed and discussion is in progress on the observations of inspection report.

1817 number of units utilised

As part of the project, the action has initiated to collect the data of all municipalities, major buildings, roads and water resources in Kerala. Out of 2 lakhs km of roads, 1.16 lakhs km roads have been mapped. Out of 50000 rivers and streams, 46000 have been mapped. 4598 hospitals, 1300 quarries, 12000 schools, 28457 ponds, 45000 offices and other assets have been mapped

2000 student volunteers have been targeted to be trained across all Districts, of which training for 1800 student volunteers have been completed.

Action has initiated to identify an agency for mapping of municipalities. An amount of Rs.1.47 crores has been expended. The overall project is expected to be completed by end of June 2021

Block level committee BNSEP formed and registered under Societies Registration Act. Micro Enterprises Consultants were selected and has completed 3 months training. MECs were selected to provide support for enterprises.

The objective of the project is the promotion of agricultural and non-agricultural enterprises. It aims to support 1200 enterprises in two years.
