Posts Identified for Appointment of Persons with Disabilities

Introduction

The Persons with Disabilities (*Equal opportunities, Protection of Rights and Full Participation*) Act, 1995(Act 1 of 1996) and the Right of Persons with Disabilities Act, 2016 (Act 49 of 2016) were flagship enactments aiming at empowerment of persons with disabilities by upholding their rights for equal opportunities, and protection against discrimination etc. One of the most silent features of these enactments is reservation to PwDs in appointments in Government establishments. The PwD Act 1996 contemplated a 3% reservation for PwDs in appointments. Under this provision of the Act, disabled persons in the following categories were entitled to reservation of 1 % each in appointments in Government establishments:

- (i) Blindness or Low Vision
- (ii) Hearing impairment ; and
- (iii) Locomotor disability or Cerebral Palsy

So as to operationalise this provision of the Act, the Central Government and the State Government have issued detailed instructions/guidelines from time to time. The most important phase in the implementation of reservation to PwD appointments was identification of posts/categories of posts which are suitable for appointment of PwDs belonging to different disability groups. For the identification of posts, the nature of duties and responsibilities of the posts and the minimum physical requirements were the basic criteria.

The process of identification of suitable posts for appointment of Persons with Disabilities was started in 1988, when Government issued first G.O identifying certain suitable posts in category III and Category IV as suitable for appointment of Persons with Disabilities. Subsequently, Government constituted two expert committees consisting of senior official as members- one for identification of posts under Class I & II and another for identification posts under Class III & IV, which are suitable for appointment of Persons with Disabilities. The suggestions made by the committee from time to time were considered by Government and orders issued notifying the posts suitable for

appointment of PwDs. Government has issued a series of such orders in the matter. The relevant information on posts identified as suitable for appointment of PwDs in Government service is now in a distributed format. This handbook is designed to consolidate information on posts identified as suitable for appointment of PwDs of different categories in Government establishments. The handbook provides information on posts suitable for appointment of PwDs-consolidated Government Order-wise, disability-wise and department-wise . The relevant Government Orders are also appended as annexures for easy reference.

Evolution of the Scheme of Reservation for PwDs

Earmarking a specific quota of posts in Kerala Government Service for physically disabled person started in 1985. But before that, in 1984, as per G.O.(P) No. 147/84/GAD dated 11-05-1984, Government has issued orders to regularise the appointments of physically handicapped persons made on temporary basis through Employment Exchanges in 1981 (SAARC year of Disabled). As per G.O.(P) No.146/85/GAD, dated 24.04.1985, Government reserved a maximum of 50 appointments each in the categories of Subordinate Service, Last Grade Service and Part-time Contingent Service and the entrusted the selection of candidates to the District Collectors. Later on in 1995, as per G.O.(P) No. 3/95/P&ARD dated 29.11.1995, the then existing scheme was revised as 'the Scheme for the Direct Recruitment of Physically Handicapped Persons in Public Services,' under which 51 appointments each were stipulated to be made every year in the above said categories of services from among persons with disabilities. It was under this scheme, the persons with disabilities were segregated into the three categories namely (i) Orthopedically Handicapped (ii) the Deaf and Dumb and (iii) the Blind, to give appointments suitable to their disability. Meanwhile Parliament enacted new law for mandatory appointments of disabled person in Government service.

The Persons with Disabilities (Equal Opportunities, Protection of Rights and Full Participation) Act, 1995 (Act No.1 of 1996)

The Persons with Disabilities (Equal Opportunities , Protection of Rights and Full Participation) Act, 1995 (Act No.1 of 1996) was brought into force 07-02-

1996, making reservation of at least 3 percentage of vacancies in every establishment mandatory, to the extent of 1 percent each for the persons suffering from:

- (iv) Blindness or Low Vision
- (v) Hearing impairment ; and
- (vi) Locomotor disability or Cerebral Palsy

After this Act came into force, Government of Kerala issued orders in compliance with the provisions of the Act, particularly with regard to appointment of Persons with Disabilities in Government Service.

As per the provisions of this Act, three percentage of the total vacancies in the cadre strength is to be filled in the vacancies arising in the identified posts in the establishment.

In order to identify such posts under Class I & II and Class III & IV, Government constituted two Expert Committees with the Secretary (Social Welfare) as the Chairman. The committee, based on the inputs and representations received, studied the nature of duties and functions of each category of posts and identified suitable posts which can be handled by persons with different disabilities in various departments. Government considered each of the recommendations made by the committee from time to time and issued orders identifying such posts which are suitable for appointment of persons with disabilities. In 2018, Government reconstituted the Expert Committee in accordance with the provisions of Rights of Persons with Disabilities Act, 2016. The orders issued by the Government are given hereunder in their chronological order, and the posts identified through these orders have been given in consolidated form- department-wise, disability-wise etc. as Appendices.

ORDER

In the Government Order read as 1st paper above, orders were issued for a maximum of 50 appointments each in the categories of Subordinate Service, Last Grade Service and Part-time Contingent Service being set apart every year for appointment of the Physically Handicapped persons to the Public Services. As per the G.O. read as 2nd paper, the Kerala Public Service Commission (Consultation) Regulations, 1957 were amended to exclude the above appointments from the purview of the Public Service Commission. In the G.O. read as 4th paper above, the scheme was revised as the Scheme for the direct recruitment of Physically Handicapped Persons in Public Service. As per the scheme 51 appointments each would be made every year in Subordinate Service, Last Grade Service and Part-time Contingent service. The vacancies should be chosen in such a manner that the three broad categories of Physically Handicapped get equal opportunities to be appointed under the scheme, i.e., a ratio of 1:1:1 should be maintained among orthopaedically handicapped, deaf, deaf and dumb and blind in appointment.

Section 33 of the Persons with Disabilities (Equal Opportunities, Protection of Rights and Full Participation) Act, 1995, provides that 'Every appropriate Government shall appoint in every establishment such percentage of vacancies not less than 3% of persons or class of persons with disability of GPT. 3/3454/98/MC.

which one per cent each shall be reserved for persons suffering from (i) blindness or low vision, (ii) hearing impairment, and (iii) locomotor disability or cerebral palsy, in the posts identified for each disability. Based on this Government of India has decided that 3% reservation for the physically handicapped in group C and group D posts shall be allowed on the basis of total number of vacancies occurring in all group C and group D posts respectively under each Head of Department.

Government, after examining the matter in detail, are pleased to order that 3% vacancies in Class III and Class IV posts in Public Services will be reserved for appointment from Physically Handicapped Persons as done by the Government of India in accordance with the provisions in the "Persons with Disabilities (Equal Opportunities, Protection of Rights and Full Participation) Act, 1995".

The existing Scheme for appointment of physically handicapped persons to 153 posts in Public Services every year issued in the G.O. read as 4th paper above is suitably modified and the revised scheme for appointment of Physically Handicapped Persons in Public Services as approved by Government is Appended to this order (Appendix).

As per G.O.s read 3rd to 8th paper above, several posts in Class III and Class IV categories in various Government Departments, State Public Sector Undertakings/Autonomous Institutions under the State Government, Universities/Corporations, Institutions and such other bodies have been declared as suitable for appointment of physically disabled persons as duly identified/recommended by the Expert Committee constituted as per the G.O. read as 2nd paper above.
4. The question of identifying more posts as suitable for physically disabled persons and removing some infirmities the above G.O.s has been under consideration of Government for quite some time. Accordingly, as entrusted by Government, the Expert Committee constituted as per the G.O. read as 2nd paper above for the purpose, inter alia recommended Government to issue a comprehensive orders incorporating all categories stipulated in the relevant G.O.s read above as also identified some more categories of physically disabled persons as eligible for appointment to certain other posts in Class III and Class IV categories vide the minutes read above.
