D.O .No. D2/108/2021-TRANS

2nd June, 2022

Dear Shri. Vinay Kumar Tripathi ji,

I along with officials of the State Government had a discussion with the members of Railway Board on December 6, 2021 regarding the Silver Line Project.

The item wise remarks and detailed reports were prepared for the queries raised by Railway Board members during the meeting and the same was submitted to Railway Board vide letter No. KRDCL/344/2019 Dated 31.12.2021. During the meeting it was also advised to submit the details of Railway land (including alignment plan, crossing over existing railway network etc.) proposed for sharing with Silver Line and to conduct joint inspection with Southern Railway and submit to Board with the Zonal Railway's recommendations. Accordingly, K-Rail is in contact with the officials of Thiruvananthapuram and Palakkad divisions of Southern Railway for obtaining the Railway boundary details. The updated land plans indicating the railway land boundaries are not readily available with Railway officials and hence, the demarcations need to be done using GPS based techniques and the same is being done jointly by K-Rail with Railway officials.

The Detailed Project Report (DPR) for the Project duly approved by State Government was submitted to Railways on 17.06.2020. In view of the importance of this infrastructure project, Hon'ble Chief Minister met Hon'ble Prime Minister on 24.03.2022 and requested early clearance of the project by the Ministry of Railways.

In view of the above, it is requested that the approval process for the DPR of Silver Line project by the Railway Board may kindly be expedited and the same may be granted at the earliest.

Best Regards,

Yours sincerely,

Dr. V P Joy

Dear *Shri Suneet Sharma ji,*

Kindly refer to your D.O. letter dated 1st November 2021 pertaining to the Silver Line, Semi High Speed Rail Project in Kerala.

A report of the Kerala Rail Development Corporation Ltd (K-Rail) titled 'Impact of Silver Line (Semi High Speed Rail) from Thiruvananthapuram to Kasargod on the Indian Railway System and the measures for augmenting the Indian Railway earnings' is enclosed.

The report highlights the project's anticipated contributions to the Indian Railway System and achievement of the National Rail Plan. It also provides an overview of the project's essentiality to revitalise the State's congested transportation infrastructure, which will improve ease of living and business.

The Government of Kerala vide letter no. KRDCL/17/2020 dated 9th November 2021 to the Department of Economic Affairs, Ministry of Finance has agreed in-principal to meet the liability arising from any default on external debt obligation undertaken by K-Rail for the project (copy enclosed).

I request your kind personal attention to expedite the sanction for this key project.

Dear Shri Ashwini Vaishnaw Ji,

At the outset, please accept my hearty congratulations on assuming Office as Union Minister for Railways, Electronics & IT and Communications. I wish you success in all innovative endeavours initiated in your ministries.

I would like to invite your attention to my D.O Letter No. GH4-3624/2020 Dt. 24.012.2020 to Shri. Piyush Goyal, the then Railway Minister, regarding the 'Silverline'-Semi High-Speed Rail Project from Thiruvananthapuram to Kasaragod. This project had received 'in-principle' approval from the Ministry of Railways and the Detailed Project Report (DPR) approved by Government of Kerala, submitted on 17.06.2020, is currently under the consideration of the Railway Board.

Shri. Pinarayi Vijayan, Chief Minister of Kerala had met Hon'ble Prime Minister on 13.07.2021 and on the same day he had met and requested you for an early approval of this ambitious Project.

I request your kind intervention in expediting the approval of the proposed Semi High-Speed Rail Project in Kerala.

With regards.

D.O. No. 1318/2021/CM Dated 29.11.2021

Dear Smt. Nirmala Sitharaman ji,

Government of Kerala would like to appreciate your announcement in the last budget about the National Rail Plan and the Mega Infrastructure Projects which could transform the mobility sector in the Country. The SilverLine Project for Semi High Speed Rail Line from Thiruvananthapuram to Kasaragod is one of the projects included in the National Rail Plan. Former Hon'ble Finance Minister, Shri. Arun Jaitley vide letter No. 1/1/2018-JPP dated November 30, 2018 included the funding of 3rd and 4th Rail line between Thiruvananthapuram and Kasargod for Semi High Speed rail corridor in the JICA ODA Rolling Plan. Vide letter No. 14/10/2020 dated January 15, 2021, you had suggested that the land acquisition and other clearances be expedited. In this connection, I would like to bring the following facts about this project for your kind consideration:

Kerala Rail Development Corporation Limited (KRDCL), a Joint Venture between Ministry of Railways and Government of Kerala has taken up this project. The feasibility report of the Semi High Speed Rail Project was prepared and sent to Ministry of Railways and they have conveyed "in-principle approval" on 17.12.2019 for taking up pre-investment activities. The DPR for this project has been submitted to Ministry of Railways on 17.6.2020. The completion cost of the project is Rs.63,941 crores. The equity contribution of Government of India is only Rs.2150 crores spread over a period of five years and Railways spare land worth Rs.975 crores.

Even though the project was included in the JICA ODA rolling plan, during deliberation with JICA they wanted co-financing to be arranged and accordingly the loan application for Rs.33,700 crores to Department of

Economic Affairs has been modified with funding from JICA, ADB, AIIB and KfW. This application has been processed through NITI Aayog, Ministry of Railways and Department of Expenditure. They have recommended this loan and loan proposal is currently with DEA. While considering the PPR 11303 for co-financing of the project, the 117th Screening Committee Meeting of DEA has decided to defer the proposal and suggested that the State Government provide an undertaking regarding acceptance of debt liability with the approval of finance department. Accordingly, Government of Kerala has after deliberation agreed "in principle" to meet the liability arising from any default of external debt obligation undertaken by the SPV of KRDCL for the implementation of Semi High Speed Rail Project.

This project has been included in the National Rail Plan. In your budget speech of 2021, you have announced in the Parliament that all projects included in the National Rail Plan will be completed by the year 2030. This project is in line with Government of India's policy and will contribute immensely to the economic development of the State of Kerala. The project is also in line with 'Make in India' and 'Atmanir har Bharat' initiatives aimed at increasing the production capabilities of the country as a whole.

I request you to allocate funds for the equity contribution of Rs.2150 for the project in the coming Budget. It is also requested that co-financing proposal (PPR 11303) pending with Department of Economic Affairs may be approved and posed to Bank for further appraisal and sanction.

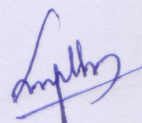

With regards,

Yours sincerely,
