Note # 1

Subject:- STDD - Implementation of PESA Act 1996 -Reg.

Note for Circulation

This file deals with the process of notifying selected areas in the State as 'Scheduled Areas' on the basis of the criteria defined as per Panchayath Extension of Scheduled Areas Act, 1996 (PESA Act '96). The purpose of implementing this Act in the State is the empowerment of the ST people. This Act ensure special powers to the Grama Sabha of the Scheduled Area in the matters like Liquor ban, Minor Forest Produce, Prevention of the transfer of Land owned by the Scheduled Tribes, control of the local markets and financial institutions in the area etc.

It may be seen that in order to implement the Act, the densely ST populated areas need to be notified as 'Schedules Areas'. [Criteria](#) for notifying a particular area as Scheduled Area are as follows:

1. Considerable population of Scheduled Tribes
2. Convenience and suitability for Local self governance (as Taluk, Panchayath, Village, Block etc.
3. Developmental backwardness of the area.
4. Economically backward condition compared to the adjacent areas.

As per [GO\(Ms\)No.38/2017/SCSTDD dated 17-05-2017](#) , a High Level Committee was constituted with the Secretaries in SC ST Development Department, Forest and Wildlife Department, Revenue Department, Local Self Government Department and also Directors of Scheduled Tribes Development Department, KILA and KIRTADS. The

Principal Secretary, SC/ST Development Department is the Convenor of the Committee.

In the meeting of the Higher Level Committee convened on 25-04 2019, the Director, STDD was asked to furnish a note on the implementation of the above Act and also to seek opinion of the stake holding departments on the above report. [Note submitted by the Director](#), STDD as directed by the Committee may be seen.

The remarks of the Director, ST Development Department regarding the criteria for declaration of Scheduled Areas are as follows:

(a) The State of Kerala was formed on 1st November 1956. Hence the percentage of Tribal population, according to 1951 census are not available. The tribal population according to 2011 census may be taken into account for the process of notifying selected areas as Scheduled Areas.

(b) Scheduled Areas in Kerala doesn't exist. Hence the question of contiguity with Scheduled Areas is irrelevant at present.

(c) The minimum constituent unit in Wayanadu, Attappady and Edamalakkudy may be Grama Panchayats and Panchayat ward may be in the case of Malappuram and Kannur districts.

(d) All the proposed areas mentioned above are socially, economically and educationally backward, based on the socio-economic survey conducted and published during November 2013.

In connection with the notification of Scheduled Area in the State, the Director, STDD has suggested as follows:

- 13 wards in Edamalakkudi Grama Panchayat in Idukki district may be considered as Scheduled Area on account of 100% ST population in the area.
- Pudur, Sholayur and Agali Grama Panchayats in Palakkad

districts may be considered as Scheduled Area.

- On account of its socio-economic status, Wayanadu district, as a whole may be considered as Scheduled Area or 3 Grama Panchayats with more than 30% ST population in the district may be considered.
- 4 wards in Malappuram district with 30%-50% ST population and one ward with 88% ST population in Kannur district may be considered as Scheduled Area.

The Director has submitted the [Ward wise population of Tribes](#) and non-tribal people residing in Wayanadu, Palakkad, Idukki, Kannur and Malappuram districts.

Revenue, LSG Departments and the Directors of KILA and KIRTADS have furnished their remarks as decided in the meeting of the HLC.

KILA

[The KILA](#) has agreed with the criteria for declaration of 'Schedule Area' They have also endorsed the proposal of the ST Development department except in the case of Wayanad District. In the case of Wayanad, the district as a whole need to be considered as Schedule Area.

KIRTADS

[KIRTADS](#) offered the following remarks:

(a) Tribal population according to 1961 or 1971 census may taken into account for the process of notifying selected areas as Scheduled Areas if not available the percentage of Tribal population in 1951 census. Moreover, consultation shall be made with Oorukoottoms or with Adivasi Organisations in selecting the Area or Westernghats region (In Kerala) may be declared as Schedule Area. Top-down approach should be reversed with the bottom-up approach.

(c) Wayanad as a whole area except new formed

Municipalities like Sulthan Bathery and Mananthawady and Kalpetta (PESA is applicable only in Panchayath and Municipality area) may be declared under Scheduled Area (in 1951 or 1961 the preponderance of the population of the region was Tribal people explicitly), on account of its socio-economic status, low literacy state and backwardness of the area. Besides Nelliampathy Panchayath and Parambaikkulam area in Palakkad District: Malayan settlements in Chimmoney Wildlife sanctuary in Varanthirapilly Panchayath and Kadar settlements in Athirappilly Panchayath of Thrissur District; Malai Pandaram settlements in Pathanamthitta District and Kani settlements in Thiruvananthapuram District may be declared under Scheduled Area.

(b) Scheduled Area has to be at least coterminous. The habitations should be grouped appropriately to being separate compact district or even where the area is not contiguous; it can still be a district, just as the Tripura Tribal Area Autonomous District Council.

(d) The socio-economic survey conducted by KILA in 2008 can be also utilized to determine the proposed Sch. Area.

(e) The department fully agrees with the proposal of 13 wards in Edamalakudy Grama Panchayath (Idukki) with 100% ST population, Pudur, Sholayur and Agali Grama Panchayaths in Palakkad district and 4 wards in Malappuram district with 30-50 percentages ST population and one ward with 88% ST population in Kannur district, to be declared as Sch. Area.

From the socio-economic survey conducted by KILA in 2008, 2391 Ooru has been proposed to be included in the PESA. However in due course similar backward habitats can be selected and included under PESA in phased manner.

Revenue Department

Since the Tribal population in Kerala is residing scattered within a revenue village, re-defining the criteria for notifying 'Scheduled Area' as per the guidelines prescribed by the Government of India may be accepted in accordance with the report submitted by the Director, STDD.

Local Self Government Department

The Department opined that the PESA Act can only be implemented in States where the 'Scheduled Area' as per the provisions of the PESA Act 1996 exists. Since no such 'Scheduled Area' has been notified in the State of Kerala, it is not possible to implement the above Act at present.

Forest and Wildlife Department

Report from the F&WL, Department is yet to be received.

It may be seen that in order to implement the Act, the ST populated areas have to be notified as 'Scheduled Areas'. The remarks/suggestions of the departments concerned on the note submitted by the Director, STDD regarding the implementation of the PESA Act has been received. Therefore a meeting of the High Level Committee may be convened to decide the matter.

File may be circulated to the Hon'ble Minister for the Welfare of Scheduled Castes and Scheduled Tribes for orders.

The Census of 2011 shows that the Scheduled Tribe Population of Kerala is 4,85,715. Almost 95% of these tribals have their habitat in forest regions and rural hilly areas. Thiruvananthapuram, Dated , 17.05.2017

Read:-Letter No.F.No.18013/1/2015-C&LM-I dated 10.02.2015 from Ministry of Tribal Affairs, Government of India.

ORDER

1. As per the letter read above the Ministry of Tribal Affairs, Government of India had requested to furnish details of Scheduled areas, total population and ST population as per 2011 Census and the names of districts, taluks/cites which are proposed to be declared as Scheduled Tribes areas under the 5th schedule of Indian Constitution.

3. No detailed study has been conducted in the matter of feasibility of inclusion of any particular hamlet and no hamlet in Southern Districts of the State starting from Ernakulam to Thiruvananthapuram, except Edamalakudi is seen included. Hence a general guideline has to be formed for the purpose of defining the areas of Grama Sabhas under the PESA Act as Scheduled areas so as to avoid any dispute on the inclusion or non-inclusion of any area under the Act.
4. Government have examined the matter in detail and are pleased to issue orders to constitute a High Level Committee with the following members, for the formulation of general Guidelines for the purpose of defining the areas of Grama Sabha under the PESA Act as Scheduled areas.

 of -reg.

Ref: - Govt. Ltr.No. 3432/D1/15/SCSTDD dated 18/04/2015.

I invite kind attention of Government to the reference cited. In this connection, I am submitting the following details for furnishing reply to Government of India letter dated 13/04/2015.

1. Spelling in the names of Grama Panchayats/municipality and colonies/hamlets in the abstract and annexure verified and corrected.
2. Repetition/Similarity in the names of colonies checked and corrected. In some cases it was duplication, in some cases same colony name with different communities and in a few cases similar named colonies in different wards of the panchayat.
3. The terms colony and hamlet are usually used in the state interchangeably for identifying tribal colonies.
4. List of colonies of each grama panchayat authenticated now.

Further, it may be noted that the number of colonies in the list of tribal colonies in Thavinjal Panchayat is now corrected to 93 instead of 188 reported earlier. Error happened due to inclusion of all the tribal colonies in the panchayat. Only 100% tribal populated colonies included now.

Revised list with abstract, in duplicate, is submitted herewith for favour of further necessary action.

Yours faithfully

Sub:- STDD – Declaration of areas as Scheduled areas under fifth schedule
to the constitution of India in State of Kerala – reg:-

Ref:- Govt. letter No. 3432/D1/15/SCSTDD dt. 26.6.15

I Invite kind attention of Government to the reference cited. In this connection I may furnish the following clarifications, as requested in Government of India Communication.

1. The number of hamlets proposed to Government of India vide Govt. letter dated 25.5.2015 are correct except that in Sl.No.9 in Muttill Panchayat, the actual number of settlements to be included is 99 only
2. The ST Population and percentage of ST Population is now corrected according to the settlements reported on 25.5.2015
3. Names of some settlements wrongly reported to Govt. of India on 7.4.2015 was corrected in the report dt. 25.5.2015. Government of India may be requested to accept the names reported in 25.5.15
4. Suffixed names in the hamlets because of different communities in the same name of settlement and same named settlements in different words of a Grama panchayat.
5. In Poothadi Panchayat (Sl.No.18), even though the number of hamlets reduced from 186 to 150 the population is increased to 8880 from 7813. This is because of erroneous entry made in the report dt. 7.4.15. Correct figures are now included.

6. In the cases of Thirunelly and Noolpuzha Panchyats, all the settlements are 100% ST Populated. The number of settlements are included only for counting the total number of settlements in Wayanad District. Both the Panchayats may be specified as scheduled area.

The revised , corrected list is also enclosed.

Yours faithfully

Sir,

Sub:- SC/STDD-Declaration of areas as Scheduled Areas under Fifth Schedule to the
Constitution of India in State of Kerala - PESA- Clarification forwarding of -
reg.

Ref:- 1. Government letter of even No. dated 07/04/2015 & 25/05/2015
2. Your Letter No. 18013/1/2015-C & LM-1 dated 17/06/2015.

I am to invite your kind attention to the reference cited and to furnish following
clarification sought for in the reference 2nd cited,

1. The number of hamlets proposed to be notified as Scheduled Area, vide Government
letter dated 25/05/2015 are correct except that in Sl.No. 9 in Muttill Panchayat, where the
actual number of settlements to be notified as Scheduled Area is 99 only
2. The number of ST Population and percentage of ST Population are revised according to
the number of settlements proposed on 25/05/2015.

3. Names of some settlements, which were wrongly proposed to be notified as Scheduled Area, vide letter dated 07/04/2015 was subsequently corrected in the proposal dated 25/05/2015. Hence it is requested to accept the names of settlements proposed vide letter dated 25/05/2015.
4. Suffixed names of the hamlets, because in such ~~such~~ panchayth(s) there are settlements which have same name but in different wards and there are such settlements which have same name but have different communities.
5. In Poothadi Panchayat (Sl.No. 18), even though the number of hamlets has been reduced from 186 to 150 the population has been increased from 7813 to 8880. This is because of erroneous entry made in the report dated 07/04/2015. Correct figures are now included.
6. In the cases of Thirunelly and Noolpuzha Panchayats, all the settlements are 100% ST populated. The number of settlements are included only for counting the total number of settlements in Wayanad District. Both the Panchayats may be specified as scheduled ares.

The revised statement as above is enclosed.

Yours faithfully,

I Invite kind attention of Government to the reference cited. In this connection I may furnish the following clarifications, as requested in Government of India Communication.#

സാമൂഹ്യലബ്ധിക്ക് മുൻപും അതിനുശേഷവും ഗോത്രമേഖലകളിലേക്ക് പലവിധ കാരണങ്ങളാൽ ഗോത്രവർഗ്ഗേതര ജനങ്ങൾ എത്തിച്ചേരുന്നതിന്റെ ഫലമായി പട്ടികവർഗ്ഗക്കാരായവർക്ക് അവരുടെ കൈവശഭൂമിയിൽ ഏറിയപങ്കും നഷ്ടമായി, പലർക്കും അവരുടെ സങ്കേതങ്ങൾ അങ്ങനെ തന്നെ നഷ്ടപ്പെട്ടു, പാരമ്പര്യമായ ഉപജീവനോപാധികൾ കൈമോശം വന്നു; പ്രകൃതി വിഭവങ്ങളിന്മേലുള്ള പാരമ്പര്യ അവകാശങ്ങൾ നഷ്ടപ്പെട്ടു, പാര

¹ 2002 ൽ പട്ടിക വർഗ്ഗ ലിസ്റ്റിൽ നിന്ന് ഒഴിവാക്കുകയും എന്നാൽ 2008 ന് ശേഷം വീണ്ടും പട്ടിക വർഗ്ഗക്കാരുടെ പട്ടികയിൽ ഉൾപ്പെടുത്തുകയും ചെയ്ത മറാട്ടി സമുദായത്തിന്റെ സങ്കേതങ്ങളും ചില സാങ്കേതിക കാരണങ്ങളാൽ ഇടുക്കി ജില്ലയിലെ ചില പട്ടിക വർഗ്ഗ സങ്കേതങ്ങളും സർവ്വേയിൽ ഉൾപ്പെട്ടിട്ടില്ല.

മ്പര്യ നിയമങ്ങളെയും സാമൂഹ്യക്രമത്തെയും അടിസ്ഥാനമാക്കിയുള്ള ജീവിത രീതികൾ കൈമോശം വന്നു, പാരമ്പര്യമായ പല സാംസ്കാരിക സവിശേഷതകളും നഷ്ടപ്പെട്ടു തുടങ്ങി. സുരക്ഷിതമായ സ്വാശ്രയ ജീവിതം സാധ്യമാകുന്നതിനുള്ള പാരമ്പര്യ മാർഗ്ഗങ്ങൾ ഏറിയപങ്കും പലവിധകാരണങ്ങളാൽ സംസ്ഥാനത്തിലെ ഗോത്ര ജനതയ്ക്ക് നഷ്ടമായി. ഗോത്രജനസമൂഹങ്ങൾ മാത്രം അധിവസിക്കുന്ന പ്രദേശങ്ങളിലെ ഭൂമി വാങ്ങുന്നതിനും അവരുടെ സാമൂഹിക ക്രമത്തിൽ ഇടപെടലുകൾ നടത്തുന്നതിനും അത്തരം മേഖലകളെ പട്ടിക പ്രദേശങ്ങളായി പ്രഖ്യാപിച്ചുകൊണ്ട് നിയന്ത്രണങ്ങൾ ഏർപ്പെടുത്തിയിരുന്നെങ്കിൽ ഗോത്രജനത ഇന്നനുഭവിക്കുന്ന ഭൂരാഹിത്യം തുടങ്ങിയ പല പ്രശ്നങ്ങൾക്കും വലിയൊരളവുവരെ പരിഹാരമായിരുന്നു.

കേരളത്തിൽ പട്ടിക പ്രദേശങ്ങളുടെ സാധ്യത

സ്വാതന്ത്ര്യലബ്ധിയെ തുടർന്നുള്ള ദശകങ്ങളിൽ ഗോത്ര ജനതയ്ക്ക് ജനസംഖ്യയിൽ ഭൂരിപക്ഷം വരുന്ന ബ്ലോക്കുകളും പഞ്ചായത്തുകളും മറ്റും പാലക്കാട് ജില്ലയിലെ അട്ടപ്പാടിയിലും വയനാട് ഇടുക്കി ജില്ലകളെയും പട്ടിക പ്രദേശങ്ങളായി പ്രഖ്യാപിക്കുവാൻ കഴിയുമായിരുന്നു.

ഒരു പ്രദേശത്തെ ഭരണഘടനയുടെ അഞ്ചാം പട്ടികയിൽ ഉൾപ്പെടുത്തുന്നതിനുള്ള മാനദണ്ഡങ്ങൾ ഇപ്രകാരമാണ്.

1. ഗോത്രവർഗ്ഗ ജനസംഖ്യ എണ്ണത്തിലോ പ്രാധാന്യത്തിലോ മുന്നിട്ടു നിൽക്കുക.
2. വ്യക്തവും ഉചിതവുമായി വലിപ്പമുള്ള പ്രദേശം
3. താലൂക്ക് / ബ്ലോക്ക് / ജില്ലാ തലത്തിൽ സാധ്യമായ ഭരണ പ്രദേശം
4. അയൽ പ്രദേശങ്ങളുമായി താരതമ്യം ചെയ്യുമ്പോഴുള്ള സാമ്പത്തിക പിന്നോക്കാവസ്ഥയുള്ള പ്രദേശം.

കേരളത്തിൽ ഇന്ന് ജനസംഖ്യയിൽ ഗോത്രജനത 50 % ത്തിലധികം വരുന്ന ജില്ലയോ ബ്ലോക്കു പഞ്ചായത്തോ ഇല്ല. എന്നാൽ പാലക്കാട് ജില്ലയിലെ പുതൂർ ഗ്രാമപഞ്ചായത്ത് -84 ശതമാനവും, ഷോളയൂർ ഗ്രാമപഞ്ചായത്ത് -58 ശതമാനവും, ഇടുക്കി ജില്ലയിലെ ഇടമലക്കുടി പട്ടികവർഗ്ഗ പഞ്ചായത്ത് അഗളി ഗ്രാമപഞ്ചായത്ത് 34 ശതമാനവും വയനാട് ജില്ലയിലെ തിരുനെല്ലിയിൽ 46 ശതമാനവും, നൂൽപ്പുഴയിൽ 34 ശതമാനവും പട്ടികവർഗ്ഗക്കാർ കൂടുതലായി താമസിക്കുന്ന പ്രദേശങ്ങൾ നിലവിലുണ്ട്. അതുകൊണ്ട് നിലവിലെ ബ്ലോക്കുകളെയും പഞ്ചായത്തുകളെയും പട്ടിക പ്രദേശമായി അതേപടി പ്രഖ്യാപിക്കുന്നത് എതിർപ്പുകൾക്ക് കാരണമാവും. എന്നാൽ, ചുവടെ കൊടുത്തിരിക്കുന്ന രണ്ട് മാർഗ്ഗങ്ങളിലൂടെ സംസ്ഥാനത്ത് അഞ്ചാം പട്ടിക അനുശാസിക്കുന്ന പട്ടിക പ്രദേശം കണ്ടെത്തുവാൻ സാധിക്കുന്നതാണ്.

1. 2011 സെൻസസ് പ്രകാരംപട്ടിക വർഗ്ഗ ജനത 50% ത്തിലധികം വരുന്ന 7 പ്രദേശങ്ങൾ സംസ്ഥാനത്തുണ്ട്. (അനുബന്ധം - 1)
പാലക്കാട് ജില്ല - അട്ടപ്പാടി ബ്ലോക്കിലെ പുതൂർ പഞ്ചായത്തിലെ പാടവയൽ വില്ലേജ് (72%) , പുതൂർ (62%), ഷോളയൂർ പഞ്ചായത്ത് (57.3%)

വയനാട് ജില്ല - തിരുനെല്ലി (52%), നൂൽപ്പുഴ (53%)

ഇടുക്കി ജില്ല - അറക്കുളം (73%), കൂടയത്തൂർ (53%).

മേൽ പ്രസ്താവിച്ച പ്രദേശങ്ങളിൽ ചിലത് ഒരേ പഞ്ചായത്തിൽ അടുത്തടുത്തുള്ളവയും എന്നാൽ മറ്റു ചിലത് സമീപ പഞ്ചായത്തുകളിലായി അടുത്തടുത്ത് സ്ഥിതിചെയ്യുന്നവയാണ്. അത്തരം പ്രദേശങ്ങളെ അതാത് പഞ്ചായത്തുകളിൽ നിന്നും വിഭജിച്ചോ അല്ലാതെയോ വേർപെടുത്തി ഇടമലക്കുടി പഞ്ചായത്തിന്റെ മാതൃകയിൽ ഗോത്ര വർഗ്ഗക്കാർക്ക് ഭൂരിപക്ഷം ഉള്ള പ്രത്യേക പഞ്ചായത്തുകൾ രൂപീകരിച്ച് അവയെ പട്ടിക പ്രദേശമായി പ്രഖ്യാപിക്കാവുന്നതാണ്.

30% നും 50% ഇടയിൽ പട്ടികവർഗ്ഗ ജനസംഖ്യയുള്ള 10 പ്രദേശങ്ങൾ സംസ്ഥാനത്തുണ്ട്.

വയനാട് - (1) തൃശ്ശിലേരി (38%), (2) പൊഴുതന (34%), (3) തരിയോട് (33%), (4) നടവയൽ (31%), (5) കിടങ്ങാട് (37%)

പാലക്കാട് - (6) അഗളി (36%), (7) കോട്ടത്തറ (48%)

ഇടുക്കി - (8) ഇലപ്പള്ളി (33%), (9) കീഴന്നൂർ (38%), (10) കൊട്ടക്കാമ്പൂർ (42%). ഇവയെ വിഭജിച്ചുകൊണ്ട് പട്ടികവർഗ്ഗക്കാർക്ക് ഭൂരിപക്ഷമുള്ള പ്രദേശങ്ങൾ രൂപീകരിക്കാവുന്നതാണ്.

2. സംസ്ഥാനത്തെ ഗോത്രജനതയ്ക്ക് ഭൂരിപക്ഷമുള്ള പ്രദേശങ്ങളെ അതാത് പഞ്ചായത്തിൽ തന്നെ നിലനിറുത്തിക്കൊണ്ട് അവയെ പട്ടിക പ്രദേശമായി പ്രഖ്യാപിക്കുക. സംസ്ഥാനത്തെ റിസർവ്വ് വനപ്രദേശങ്ങളിൽ ഒറ്റപ്പെട്ട് സ്ഥിതിചെയ്യുന്ന 540 ഗോത്ര സങ്കേതങ്ങളുണ്ട്. ചോലനായിക്കരുടെ ആകെയുള്ള 14 താമസ ഇടങ്ങളും നിലമ്പൂർ മേഖലയിലെ ഉൾവനപ്രദേശങ്ങളിലാണ്. കാടരുടെ ഏതാണ്ട് എല്ലാ സങ്കേതങ്ങളും അതിരപ്പള്ളി, നെല്ലിയാംപതി, പറമ്പിക്കുളം വനമേഖലകളിലായാണ് സ്ഥിതിചെയ്യുന്നത്. മലൈപണ്ടാരം, മുതുവാൻ, മന്നാൻ, കാട്ടുനായിക്കൻ തുടങ്ങി പല ഗോത്ര സമൂഹങ്ങളുടെയും ധാരാളം സങ്കേതങ്ങൾ വനപ്രദേശങ്ങളിൽ ഒറ്റപ്പെട്ട് സ്ഥിതിചെയ്യുന്നുണ്ട്. വനാവകാശ നിയമം നടപ്പിലാക്കുന്നതോടുകൂടി അവ റവന്യൂ ഭൂമിയായി മാറുകയും തുടർന്ന് അവയെ റവന്യൂ വില്ലേജാക്കിക്കൊണ്ട് പട്ടിക പ്രദേശമായി വിജ്ഞാപനം ചെയ്യാവുന്നതുമാണ്.

പെസ നിയമവും പട്ടിക പ്രദേശങ്ങളും

പെസ നിയമം പട്ടിക പ്രദേശമായി മാത്രമാണ് ബാധകമായിരിക്കുന്നത്. 73-ാമത് ഭരണഘടനാ ഭേദഗതിയിലൂടെ പഞ്ചായത്ത് രാജ് സംവിധാനം 1992 നിലവിൽ വന്നപ്പോൾ പെസ നിയമം പട്ടിക പ്രദേശങ്ങളിൽ നടപ്പിലാക്കുന്നതിൽ നിന്നും ഒഴിവാക്കിയിരുന്നു. തുടർന്ന് 1994-ൽ പഞ്ചായത്ത് രാജ് സംവിധാനം പട്ടിക പ്രദേശങ്ങളിൽ നടപ്പിലാക്കുന്നത് പരിശോധിക്കുന്നതി

പെസ പ്രധാനമായും മൂന്ന് കാര്യങ്ങളെയാണ് അടിസ്ഥാനമാക്കിയിരിക്കുന്നത്. 1). പാരമ്പര്യ ചട്ടങ്ങളെയും സാമൂഹിക ക്രമത്തെയും അടിസ്ഥാനമാക്കി ഗ്രാമസഭയ്ക്ക് അതിനെ ഏൽപ്പിക്കുന്ന ഉത്തരവാദിത്വങ്ങൾ നിർവ്വഹിക്കുവാൻ സാധിക്കും. 2). പാരമ്പര്യ നിയമങ്ങളെയും ചട്ടങ്ങളെയും അടിസ്ഥാനമാക്കി ജനസംഖ്യയ്ക്കുപരിയായി ഒരു സങ്കേതമോ ഒന്നിലധികം സങ്കേതങ്ങളോ ഉൾപ്പെടുന്ന ഗ്രാമ സഭയാണ് ഭരണനിർവ്വഹണ യൂണിറ്റ്. 3). പെസയെ അടിസ്ഥാനമാക്കി അതാത് സംസ്ഥാനങ്ങൾ രൂപകല്പന ചെയ്യുന്ന പഞ്ചായത്തീരാജ് നിയമം പട്ടിക പ്രദേശങ്ങളിൽ ഗ്രാമങ്ങളുടെ പാരമ്പര്യ ചട്ടങ്ങളെയും നിയമങ്ങളെയും അടിസ്ഥാനമാക്കിയുള്ളവ ആവണം.

പെസയും വില്ലേജിന്റെ നിർവ്വചനവും

നിലവിൽ സംസ്ഥാനത്ത് വില്ലേജ് എന്നത് ആയിരമോ ആയിരത്തഞ്ഞൂറോ ജനസംഖ്യ വരുന്ന റവന്യൂ വില്ലേജുകളാണ്. എന്നാൽ പെസ നിയമത്തിൽ വില്ലേജ് എന്നത് തങ്ങളുടെ പാരമ്പര്യ നിയമങ്ങളും സാമൂഹിക ക്രമവും പാലിച്ചുകൊണ്ട് പട്ടിക വർഗ്ഗക്കാർ താമസിക്കുന്ന ഒരു സങ്കേതമോ, ഒന്നിലധികം സങ്കേതങ്ങളോ ആവാം.

സംസ്ഥാനത്ത് പെസ നിയമം നടപ്പിലാക്കൽ

പെസ നിയമം നടപ്പിലാക്കുന്നതിനായി സംസ്ഥാനങ്ങൾ തങ്ങളുടെ ഷെഡ്യൂൾഡ് ഏരിയകൾക്കായി പ്രത്യേക പഞ്ചായത്ത് രാജ് നിയമം നിർമ്മിക്കേണ്ട ആവശ്യമില്ല. സെൻട്രൽ പെസ നിയമത്തിൽ പറഞ്ഞിരിക്കുന്ന, പഞ്ചായത്ത് രാജ് നിയമം പട്ടിക പ്രദേശങ്ങളിൽ നടപ്പിലാക്കുമ്പോൾ, സംസ്ഥാനം ചില സെക്ഷനുകൾ ഒഴിവാക്കുകയോ ഭേദഗതി വരുത്തുകയോ കൂട്ടിച്ചേർക്കുകയോ മതിയാവും. കൂടാതെ സംസ്ഥാനം ചട്ടങ്ങൾ നിർമ്മിക്കേണ്ടതുണ്ട്.

പെസ നിയമം പട്ടിക പ്രദേശങ്ങളിൽ വില്ലേജ് എന്നതിനെ ഗോത്രജനതയുടെ പാരമ്പര്യ സാമൂഹിക ക്രമപ്രകാരം ജീവിക്കുന്ന ഒന്നോ അധിലധികമോ സങ്കേതങ്ങളായോ ആളുകൾ ഒന്നിച്ച് താമസിക്കുന്ന ഇടങ്ങളായോ ആണ് നിർവ്വചിച്ചിരിക്കുന്നത്. അത്തരം വില്ലേജുകളെ അടിസ്ഥാനമാക്കി വിളിച്ചുചേർക്കുന്ന ഗ്രാമസഭയ്ക്ക് പെസ വളരെയധികം അധികാരങ്ങൾ നൽകുന്നുണ്ട്. ഗ്രാമസഭ ഗോത്രജനതയുടെ പാരമ്പര്യ ചട്ടങ്ങൾ അനുസരിച്ച് ഒരു കാര്യനിർവ്വഹണ

സമിതിയെ തിരഞ്ഞെടുക്കുമെന്നും ആ സമിതിയിലൂടെ വികസന പ്രവർത്തനങ്ങൾ നടപ്പിലാക്കു വാനുമാണ് പെസ നിയമത്തിലൂടെ ലക്ഷ്യം വെയ്ക്കുന്നത്.

പഞ്ചായത്ത് പട്ടിക പ്രദേശങ്ങളിൽ വരുന്നതാണെങ്കിൽ ജനസംഖ്യയെ അടിസ്ഥാനമാക്കി ചുരുങ്ങിയത് 50% സ്ത്രീയും ചെയർപേഴ്സൺ പദവിയും പട്ടികവർഗ്ഗക്കാർക്കായി മാറ്റിവെയ്ക്കേണ്ടതാണ്. പ്രാതിനിധ്യം ഇല്ലാത്ത പട്ടികവർഗ്ഗക്കാരുടെ പ്രതിനിധിയെ ആകെ അംഗങ്ങളുടെ എണ്ണത്തിന്റെ പത്തിലൊന്നിൽ കൂടാത്ത തരത്തിൽ ജില്ലാപഞ്ചായത്തിലേക്കോ തൊട്ടടുത്ത പഞ്ചായത്ത് തലത്തിലേക്കോ സംസ്ഥാന സർക്കാർ നാമനിർദ്ദേശം ചെയ്യേണ്ടതാണ്.

പെസ നിയമപ്രകാരം പഞ്ചായത്തിന്റെ അധികാരങ്ങൾ ഗ്രാമസഭയുടെ അധികാരത്തിന് കീഴിലായാണ് വരുന്നത്. ടി.എസ്.പി ഉൾപ്പെടെയുള്ള ഫണ്ട് വിനിയോഗിച്ചുള്ള പദ്ധതികളുടെ രൂപീകരണം, അവയുടെ മോണിറ്ററിങ്, ഗുണഭോക്താക്കളുടെ കണ്ടെത്തൽ, ചെറു ജലസ്രോതസ്സുകൾ ഉൾപ്പെടെയുള്ള പ്രകൃതി വിഭവങ്ങളുടെ വിനിയോഗം, പുനഃരധിവാസവുമായി ബന്ധപ്പെട്ട കാര്യങ്ങൾ, തർക്കങ്ങളുടെ പരിഹാരം തുടങ്ങിയവയെക്കുറിച്ചൊക്കെ തീരുമാനമെടുക്കേണ്ടത് ഗ്രാമസഭയാണ്. ഇതോടൊപ്പം ലഹരി വസ്തുക്കളുടെ ഉപയോഗത്തിലും പലിശയ്ക്ക് പണം നൽകലിലും നിയന്ത്രണം കൊണ്ടുവരൽ, നിയമവിധേയമല്ലാതെ അന്യായീനപ്പെട്ട ഭൂമി തിരിച്ചെടുക്കൽ എന്നിവയും ഗ്രാമസഭയുടെ അധികാരത്തിൽ വരുന്ന കാര്യങ്ങളാണ്. എന്നാൽ നിലവിലിരിക്കുന്ന പഞ്ചായത്ത് രാജ് നിയമത്തിൽ സെൻട്രൽ പെസ നിയമത്തിന്റെ വെളിച്ചത്തിൽ ശരിയായ രീതിയിലുള്ള ഭേദഗതികൾ വരുത്തിയാൽ മാത്രമേ മേൽ പ്രസ്താവിച്ച അധികാരങ്ങൾ പട്ടിക പ്രദേശങ്ങളിലെ ഗ്രാമസഭകൾക്ക് വിനിയോഗിക്കുവാൻ സാധിക്കയുള്ളൂ. ജാർഖണ്ഡ് സംസ്ഥാനത്ത് പെസ നിയമം നടപ്പിലാക്കിയതിന്റെ ഭാഗമായി ജാർഖണ്ഡ് പഞ്ചായത്തി രാജ് ആക്റ്റ് 2001 ൽ വരുത്തിയ മാറ്റങ്ങളിലെ പിഴവുകാരണം മേൽ പ്രസ്താവിച്ച പല അധികാരങ്ങളും ശരിയായ രീതിയിൽ വിനിയോഗിക്കുവാൻ സാധിക്കുന്നില്ല എന്ന് 'എൺവിറോൺമെന്റ് ലോ ആന്റ് ഡെവലപ്പ്മെന്റ് ഫൗണ്ടേഷൻ' 2012²ൽ നടത്തിയ നിരീക്ഷണം ശ്രദ്ധേയമാണ്.

നിരീക്ഷണങ്ങൾ - ചുരുക്കത്തിൽ

1. സംസ്ഥാനത്തിലെ പട്ടിക വർഗ്ഗ ജനതയുടെ അവകാശ സംരക്ഷണത്തിനും സാംസ്കാരിക ബഹുസ്വരതയ്ക്കും സുരക്ഷിത ഉപജീവന ഉപാധികളുടെ നിലനിർത്തലിനും പട്ടിക പ്രദേശങ്ങൾ കണ്ടെത്തിക്കൊണ്ട് പെസ നിയമം നടപ്പിലാക്കേണ്ടത് അനിവാര്യമാണ്
2. പട്ടികവർഗ്ഗക്കാർക്ക് ഭൂരിപക്ഷമുള്ള സമീപ വില്ലേജുകളെ ചേർത്തുകൊണ്ട് ഇടമലക്കുടി പഞ്ചായത്ത് മാതൃകയിൽ പഞ്ചായത്തുകൾ രൂപീകരിച്ചുകൊണ്ട് അത്തരം പഞ്ചായത്തുകളെ പട്ടിക പ്രദേശമായി പ്രഖ്യാപിക്കാവുന്നതാണ്,

4. കേരള പഞ്ചായത്തീരാജ് നിയമം 1994 ൽ സെൻട്രൽ പെസ നിയമത്തിന്റെ വെളിച്ചത്തിൽ പട്ടിക പ്രദേശങ്ങൾക്ക് പ്രത്യേക നിബന്ധനകൾ ഉൾപ്പെടുത്തിക്കൊണ്ട് പെസ നിയമം സംസ്ഥാനത്ത് നടപ്പിലാക്കാവുന്നതാണ്.
5. ഗോത്ര ജനതയ്ക്ക് ഭൂരിപക്ഷമുള്ള പ്രദേശങ്ങളിലാണ് പെസ നടപ്പിലാക്കുന്നത് എന്നതിനാൽ ഇതര ജനവിഭാഗങ്ങളുടെ അവകാശങ്ങളെയോ, താല്പര്യങ്ങളെയോ അവ ദോഷകരമായി ബാധിക്കുകയില്ല. മറിച്ച്, മറ്റു ജനവിഭാഗങ്ങളുടെ ഇടപെടലുകൾ മൂലം ഗോത്ര ജനത അഭിമുഖീകരിച്ചുവരുന്ന ചരിത്രപരമായ അനീതിക്ക് അറുതി വരുക മാത്രമാണ് ചെയ്യുക.

A brief note for the formulation of general guidelines for the purpose of defining the areas of Grama Sabha under the PESA Act as Scheduled areas.

Kerala has a tribal population of 4,85,715 as per census 2011, which constitute 1.48% of the State's total population. There exists a significant concentration of Scheduled Tribes in 3 districts viz, Wayanad (37%), Idukki (14%) and Palakkad (11%), accounting for over 60% of the total tribal population in the State and these are the most backward districts in terms of Human Development Index of tribal population. The gap between the general and tribal population is increasing over the years and tribes of Kerala have not been part of the overall development of the State. The dependence of the ST population on agriculture is much higher than the general population and poor economic diversification impacts on the material conditions of life which is reflected in a much higher index of deprivation for Scheduled Tribes. Since almost 95% of these tribals have their habitat in forest regions and rural hilly areas, the infrastructural gap in the tribal areas are much wider and deeper and warrants immediate intervention. Alienation of tribal lands on account of exploitation by other sections of population capitalizing the ignorance and unawareness of rights, have been increasing. The presence of left wing extremists in tribal areas have been reported and the Maoist Groups are concentrating in tribal hamlets for securing sympathy in the name of backwardness and under development of tribal areas in the State.

It is in these circumstances that Government have decided to bring the most tribal populated areas under Panchayath Extension of Scheduled areas Act (PESA) 1996 in accordance with Article 244 (1) of the 5th Schedule of the Constitution of India. The term "Scheduled area" has been defined in the Indian Constitution as "such areas as the President may by order declare to be Scheduled areas". The PESA Act (1996) which envisages the social, economic, cultural and political development of the Scheduled Tribes has been framed in accordance with their traditional beliefs, social code and rituals. The Act empowers Grama

sabha in order to ensure self governance. The Grama Sabha will have specific powers on various matters including production and sale of alcohol, protection of right of forest produce, land alienation, redumption of alienated lands, money lending activities etc. Besides, PESA enables the Grama Sabhas to exercise powers on the approval of social and economic developmental projects in Scheduled areas, selection of beneficiaries under poverty alleviation schemes, utilization of funds, conservation of forest resources, acquisition of land for tribals etc. As per Section 4(b) of PESA Act, a village shall ordinarily consist of a habitation or a group of habitations or a hamlet or a group of hamlets comprising a community and managing its affairs in accordance with the traditions and customs. Preservation of own culture of each community/Gothram also can be ensured in such a system.

Government after having a series of discussions with the stake-holders had decided to bring the following areas under PESA Act 1996 to declare as "Scheduled areas".

1. All tribal settlements (Oorus) of Wayanad District except Noolpuzha and Thirunelli Panchayaths (~~Annexure 1~~), and the Panchayaths of Noolpuzha (tribal population – 40.36%) and Thirunelli (44.38%).
2. Idamalakkudy Panchayath of Idukki District.
3. Aralam Resettlement area of Kannur District (Ward VI of Aralam Panchayath)
4. Attappady Block in Palakkad District (Agali, Puthur and Sholayur Panchayath) Scheduled Tribe population information (~~Annexure 2~~)
5. Amaramblam in Nilambur Thaluk of Malappuram District (Achanala Ooru), Karulayi (Mancheeri Ooru), Vazhikadavu (Alackal Ooru) Areas.

The proposal incorporating the above points for declaring the areas as Scheduled areas under the fifth schedule to the Constitution of India was

499

recommended and forwarded to the Ministry of Tribal Affairs, Government of India for obtaining assent of H.E. President of India with the recommendations of H.E Governor of Kerala.

Later the Ministry of Tribal Affairs, Government of India had requested to furnish ~~details of Scheduled areas, total population and ST population as per 2011 Census and the names of districts, taluks, cities which are proposed to be declared as Scheduled Tribes areas under the fifth schedule of Indian Constitution.~~ *Second proof with proper authentication of each page & list of* *ply*
on further examination, it is seen that in
 Kerala, majority of tribal hamlets are located not contiguous or interconnected to each other and such hamlets have only limited inhabitants and limited land in possession. This may lead to many practical inconveniences in the matter of implementation of the Provisions of the Act. No detailed study has been conducted in the matter of feasibility of inclusion of any particular hamlet and no hamlet in Southern Districts of the State starting from Ernakulam to Thiruvananthapuram, except Edamalakudi is seen included. As per G.O(MS)No.38/17/SCSTDD dated 17.05.2017 (copy enclosed) a high level committee has been constituted with the following members, for the formulation of general Guidelines for the purpose of defining the areas of Grama Sabha under the PESA Act as Scheduled areas.

95. Except in the case of Block Panchayath, Grama Panchayaths and Wards of Grama Panchayaths, all other hamlets included in the recommended list have not officially demarcated territory. (In Kerala, majority of tribal hamlets are located not contiguous or interconnected to each other and such hamlets have only limited inhabitants and limited land in possession. This may lead to many practical inconveniences in the matter of implementation of the Provisions of the Act.

96. No detailed study has been conducted in the matter of feasibility of inclusion of any particular ^{village} hamlet and no hamlet in Southern Districts of the State starting from Ernakulam to Thiruvananthapuram, except Edamalakudi is seen included. Hence a general guideline has to be formed for the purpose of defining the areas of Grama Sabhas ^{RCM} under the Act as Scheduled areas so as to avoid any dispute on the inclusion or non-inclusion of any area under the Act.)

97. A high level committee may be constituted for this purpose consisting Principal Secretaries of SC/ST, Forest, Revenue and LSGD departments, Directors of STDD, KILA and KIRTADS with Principal Secretary SC/ST as convener. The committee shall report within ^{Three} ~~two~~ months.

NOTE

129) The Provisions of the Panchayats (Extension to Scheduled Areas) Act, 1996 or PESA is a law enacted by the Government of India for ensuring self governance through traditional Grama Sabhas for people living in the Scheduled Areas of India. For including the Scheduled Areas of Kerala under the PESA Act Ministry of Tribal Affairs has furnished four criteria in which they sought comments for redefining the criteria for declaring the Scheduled Area.

130) When the DS100 was requested to furnish their comments, they had informed that they are on the midway of collecting the population data by examining the census from 1951 onwards in order to get the ratio of tribal population in the recommended areas. They had also requested for a confined programme for preparing the guidelines for implementing PESA.

131) The specific objectives criteria furnished by the MoTA was as follows.

- (i) Preponderance of tribal population
- ii. Contiguity with existing Scheduled Areas with the condition that minimum contiguous constituent unit is a complete Block/Panchayat Samiti/ Tehsil/Taluk/Mandal,

3432/D/15/SCSTDD

SCSTDD/D1/233/2022

iii. In case proposed area is not contiguous with existing Areas, then minimum constituent unit should be a complete District

¹³¹
~~130~~ Economic backwardness of the area as compared to the neighbouring areas.

132) By considering the above objectives the MoTA had sought comments on the four draft criteria provided by them comments on the four for re-examining and redefining the criteria for declaring the Scheduled Areas for implementing PESA in the State.

133) But it seemed that the DSDD has not furnished the comment in the four criteria instead they had demanded for a programme for preparing guidelines to implement PESA.

134) In this circumstance the DSDD may be requested to furnish comment on each criteria prepared by MoTA and later by considering the comments furnished by the State they would redefine the criteria.

143) Kindly see the notes and orders at pre paras. As per the decisions taken in the High Level Committee meeting held on 27/11/2017 the Director STDD has to furnish report to Govt which is still pending from him. In the meantime, as per the letter dated 01/01/2018 Govt of India have requested for the opinion of the State Govt for re defining criteria for declaration of Scheduled Areas under the fifth schedule of the constitution. The points on which views of States/UTs are sought for by the Gol are given below:

a) *The Scheduled Areas and Scheduled Commission 2002 under Chairmanship of Shri Dileep Singh Bhuria inter alia recommended that " All revenue Villages with 40% and more tribal population according to 1951 census may be considered as Scheduled Area on merit. Each proposal of State should be examined independent of other"* therefore Gol requested for our views regarding the minimum percentage of tribal population in the concerned administrative unit, to render it eligible for declaration as Scheduled Area

b) *Contiguity with existing Scheduled Areas with the condition that minimum contiguous unit is a complete block/Panchayath Samiti/Thesil/Taluk/Mandal*

c) *In case proposed area is not contiguous with existing Areas, then minimum constituent units should be a complete district.*

d) *Economic backwardness of the area as compared to the neighboring areas*

Regarding (a) above it may be noted that, over the period, the areas which were earlier inhabited predominantly by tribes have become less predominant tribal areas because of the migration of other communities into the areas dominated by Tribes, therefore, if we go by the 1951 census, the areas where 40% population was tribes in the year 1951 may not have 40% Tribes now but may have less number of Tribes, therefore, if we are agreeing to the minimum percentage of 40% or more or less it should be based on the current population of the area or the last census in

3432/02/15/11/11/11

- 62 -

SC ST CO-ORD

2011. Therefore it is for orders, whether we may inform GoI that if they prescribe that a Revenue Village with 40% or more ST population is to be rendered as Scheduled Area, it should be based on the last census in 2011, rather than relying on the Census held in 1951.

Regarding (b) above: As of now no areas in the state have been declared as Scheduled Area therefore we have no comments on the point.

Regarding (c) above: As of now no areas in the state have been declared as Scheduled Area therefore we have no comments on the point.

Regarding (d) above: It may be true that areas dominated by Scheduled Tribes are generally economically backward but since no known authentic/ approved study have been conducted in our State with regard to economic backwardness/status of the areas proposed to be declared as Scheduled Areas/ST dominated area *vis a vis* other areas in our State, it seems that we may not offer any views on this point too.

For orders whether our views as stated above may be informed to GoI

Consolidated Note

151 This file deals with the process of notifying selected areas in the State as 'Scheduled Areas' on the basis of the criteria defined as per Panchayath Extension of Scheduled Areas Act, 1996 (PESA Act '96). The purpose of implementing this Act in the State is the empowerment of the ST people. This Act ensure special powers to the Grama Sabha of the Scheduled Area in the matters like Liquor ban, Minor Forest Produce, Prevention of the transfer of Land owned by the Scheduled Tribes, control of the local markets and financial institutions in the area etc.

152 Along with the above, under this Act the Gramasabha will be empowered for the following:

- Approval of the scheme/programmes for the socio-economical development of the ST people.
- Selection of the beneficiaries of poverty eradication programme.
- Conservation of natural resources etc.

(2) As per 2011 Census, the estimated Scheduled Tribes population of Kerala is 4,85,715. It is seen that 95% of the above population are residing at Forest areas. Attappady Block (42.95%) in Palakkad District, Idamalakkudy Panchayath (100%) in Idukki District, Thirunelli (44.38%) and Nodlpuzha Panchayath (40.36%) in Wayanad District are

the most densely ST populated Areas in the State.

In order to protect the rights of the ST people and also to address their grievances, Government consider the interests of the ST people seriously and are planning to empower the ST people by notifying the densely ST populated areas as 'Schedules Areas' as envisaged in the PESA Act.

✓ As per the letter dated 01-01-2018, from the Ministry of Tribal Affairs, Govt of India, the criteria for notifying a particular area as scheduled area are as follows:

- (1) Considerable ST population.
- (2) Convenient and Suitable Administration Area (Taluk, Village, Block, Panchayath etc).
- (3) Under developed area.
- (4) Economically backward condition compared to the adjacent areas.

✓ In connection with the implementation of PESA Act in Kerala, on 17.12.2014, the Council of Ministers decided to include the following ST populated areas under the PESA Act.

- (1) All ST Hamlets in Wayanad District along with Noolpuzha and Thirunelly Panchayath.
- (2) Idamalakkudi Panchayath in Idukki.
- (3) Aralam resettlement area in Kannur District.
- (4) Attappady Block in Palakkad District.

(5) Amarambalam, Karulai, Vazhikkadav areas in Nilambur, Malappuram District.

155 In accordance with the above, a notification for publishing in the Gazette was prepared and forwarded to the MoTA, Government of India from H.E. the Governor, State of Kerala on 23.01.2015. The MoTA returned the above notification with suggestions for modification of the same. The notification for implementing PESA Act has been modified as suggested by the MoTA.

156 Meanwhile, the incumbent Government came into existence and the matter was brought to the attention of the Hon'ble Minister for SC/ST and it was observed that since the geographical distribution of ST populated area in the State will create practical difficulties for the implementation of PESA Act, guidelines should be formulated to include/exclude a particular area under the Local Self Government Institutions. The Hon'ble Minister ordered to constitute a Higher Level Committee for the above purpose. Accordingly, vide GO(Ms)No.38/2017/SCSTDD dated 17.05.2017 a Higher Level Committee was constituted with the Secretaries in SC/ST Development Department, Forest and Wildlife Department, Revenue Department, Local Self Government Department and also Directors of Scheduled Tribes Development Department, KILA and KIRTADS. The Principal Secretary, SC/ST Development Department is the Convenor of the Committee. It was also ordered to examine the subject by the Higher Level Committee and to submit recommendations. Subsequently the

- (1) Ward based list showing the number of Tribes and non-Tribal people residing in Wayanad, Palakkad, Idukki, Kannur and Malappuram Districts.
- (2) Findout the Ward/Panchayath/Municipality with considerable ST population.
- (3) List of Wards with ST reservation.
- (4) Based on geographic distribution of the ST colonies, examine the possibilities of mapping together these colonies as to contiguous unit.

154 ✓ The details furnished by the Director, STDD may be seen. The Director has furnished the ward based population of ST and Non-ST in Wayanad, Palakkad, Idukki, Kannur and Malappuram Districts.

156 As per the 2011 Census, there are no District or Block Panchayath having more than 50% of ST population. But if the Grama Panchayath is taken as a unit it may be seen that there is 100% ST population in Idamalakkudi Grama Panchayath and Agali, Puthoor and Sholayur Grama Panchayaths in Attappady Block Palakkad District shows 35%, 62% and 61% of ST population respectively.

159 There are 23 Grama Panchayath and 3 Municipalities in

Wayanad District. 10 Panchayaths are having more than 20% of ST population and 2 of the above are having 40% of ST population. When examined, the geographic distribution of the colonies, they are seen scattered making it difficult to group them together, except the colonies in Noolpuzha and Thirunelli Grama Panchayaths. Therefore the Director, Scheduled Tribes Development Department has recommended to consider Wayanad District as a whole so as to notify it as a Scheduled Area considering the socio economic status of the area or to consider 3 Grama Panchayaths in the District with ST population above 30% as Scheduled Areas.

160 In Malappuram, 4 wards with 30% - 50% ST population and 1 ward with 88% ST population in Kannur, the ST colonies are scattered so that mapping together of these Colonies becomes difficult. Therefore it is recommend to consider these wards as separate Scheduled areas.

161 In the light of the facts stated above, as part of the implementation of PESA Act 1996 in Wayanad, Palakkadd, Idukki, Kannur and Malappuram Districts in Kerala, the following areas may be considered to be notified as Scheduled Areas. This may also be submitted before the Higher Level Committee for consideration.

- (1) 13 Wards in Idamalakkudi Grama Panchayath in Idukki District may be considered as Scheduled Area on account of the 100% ST population in the area.

845 (2) Puthur, Sholayur and Agali Grama Panchayaths in Palakkad Districts may be considered as Scheduled Area.

(3) On account of its socio-economic status, Wayanad District, as a whole may be considered as Scheduled Area or 3 Grama Panchayaths with 30% ST population in the District may be considered.

(4) 4 Wards in Malappuram District with 30% - 50% ST population and one Ward with 88% ST population in Kannur District may be considered as Scheduled Area.

Note for discussion in the High Level Committee Constituted for the formulation of general guidelines for the purpose of re-defying the criteria for declaring Scheduled Areas as per PESA ACT 1996.

Introduction

The provisions of Panchayats (Extension to Scheduled Areas) Act 1996 or PESA is a law enacted by the Government of India for ensuring self governance through traditional Grama Sabha for people living in the Scheduled Areas of India. The PESA Act gives radical governance powers to the tribal community and recognizes its traditional community rights over local natural resources. It accepts the validity of customary law, social and religious practices, and traditional management practices of community resources. Accepting a clear-cut role for the community, it gives wide-ranging powers to Grama Sabhas.

In Kerala, majority of tribal hamlets are located not contiguous or interconnected to each other and such hamlets have only limited inhabitants and limited land in possession. This may lead to many practical inconveniences in the matter of implementation of the Provisions of the Act.

Governments of Kerala vide G.O (MS)No.38/17/SCSTDD, dated 17/05/2017, had constituted a High Level Committee for the formulation of general guidelines for the purpose of defining the areas of Grama Sabha as Scheduled Areas under PESA Act. The Committee convened a meeting on 27/11/2017 and decided as follows.

1. Prepare ward base list showing the number of Tribes and non-Tribal people residing in Wayanad, Palakkad, Idukki, Kannur and Malappuram districts.
2. Find out the Ward/Panchayat/ Municipality with considerable ST population.
3. Prepare list of wards with ST reservation.
4. Based on geographic distribution of ST colonies, examine the possibilities of mapping together these colonies as to contiguous unit.

Also the Ministry of Tribal Affairs (C & LM Division), Government of India, vide letter No. 18016/04/2017- C & LM, dated 01/01/2018, had informed that all revenue villages with 40% and more tribal population according to 1951. Census may be considered as Scheduled Area on merit. Since the criterion of preponderance of Tribal population presently followed for declaration of

Scheduled Areas needed more clarity, and hence it was requested to furnish views regarding the minimum percentage of tribal population in the concerned administrative unit, to render it eligible for declaration as Scheduled Areas.

The Department had furnished specific remarks for re-defining the 4 criteria for declaration of Scheduled Areas under 5th schedule of constitution as follows.

(a). The State of Kerala was formed on 1st November 1956. Hence the percentage of Tribal population, according to 1951 census are not available. The tribal population according to 2011 census may be taken into account for the process of notifying selected areas as Scheduled Areas.

(b). Scheduled Areas in Kerala doesn't exist. Hence the question of contiguity with Scheduled Areas is irrelevant at present.

(c). The minimum constituent unit in Wayanadu, Attappady and Edamalakkudy may be Grama Panchayats and Panchayat ward may be in the case of Malappuram and Kannur districts.

(d). All the proposed areas mentioned above are socially, economically and educationally backward, based on the socio-economic survey conducted and published during November 2013.

Based on the specific remarks furnished above Department has furnished the following proposal, according to 2011 census.

*. 13 wards in Edamalakkudi Grama Panchayat in Idukki district may be considered as Scheduled Area on account of 100% ST population in the area.

*. Pudur, Sholayur and Agali Grama Panchayats in Palakkad districts may be considered as Scheduled Area.

*. On account of its socio-economic status, Wayanadu district, as a whole may be considered as Scheduled Area or 3 Grama Panchayats with more than 30% ST population in the district may be considered.

*. 4 wards in Malappuram district with 30%-50% ST population and one ward with 88% ST population in Kannur district may be considered as Scheduled Area.

Ward wise population of Tribes and non-tribal people residing in Wayanadu, Palakkad, Idukki, Kannur and Malappuram districts are attached separately.

BRIEF NOTE ON PESA ACT 1996

The provisions of Panchayath (Extension to Scheduled Areas) Act 1996 or PESA is a law enacted by the Government of India for ensuring self governance through traditional Grama Sabhas for people living in the Scheduled Areas of India. PESA was enacted on 24 December 1996 to extend the provisions of Part IX of the constitution to Scheduled Areas, with certain exceptions and modifications. PESA sought to enable the Panchayats at appropriate levels and Grama Sabhas to implement a system of self governance with respect to a number of issues such as customary resources, minor forest produce, minor minerals, minor water bodies, selection of beneficiaries, sanctions of projects and control over local institutions. PESA was viewed as a positive development for tribal communities in Scheduled Areas who had earlier suffered tremendously from engagement with modern development processes and from the operation of both colonial laws and statutes made in independent India. The loss of access to forest land, and other community resources had increased their vulnerability. Rampant land acquisition and displacement due to development projects had led to large scale distress in tribal communities living in Scheduled Areas. PESA was seen as a panacea for many of these vulnerabilities and sought to introduce a new paradigm of development where the tribal communities in such Scheduled Areas were to decide by themselves the pace and priorities of their development.

Salient Provisions of PESA ACT

In the Schedule Areas, every village will have a Tribal Grama Sabha (Oorukoottam).

In the Schedule areas there will be a minimum of 50% seats reservation of Scheduled Tribes.

The Chairpersons at all levels of the Panchayats in Scheduled areas shall be reserved for Scheduled Tribes.

Every legislation on the Panchayats in Scheduled Areas shall be in conformity with customary law, social and religious practices and traditional management practice of the community resources.

Powers and Authority of the Grama Sabha and Panchayats in Scheduled Tribes.

- a. Grama Sabha has the power to safeguard and preserve the traditions and customs of people, their cultural identity, community resources and customary mode of dispute resolutions.
- b. It also has power to approve plans, programmes and projects for social and economic development, to identify persons as beneficiaries under the poverty alleviation and other programmes etc.
- c. The power to enforce prohibition or to regulate or restrict the sale and consumption of any intoxicant.
- d. The ownership of minor forest produces.
- e. The power to prevent alienation of land in Scheduled Areas and to take appropriate action to restore any unlawfully alienated land of a Scheduled Tribes.
- f. The power to manage village markets
- g. The power to exercise control over money lending to the Scheduled Tribes.
- h. The power to control over institutions and functionaries in all social sectors.
- i. The power to control over local plans and resources for such plans including tribal sub-plans.

Fifth Schedule

The fifth Scheduled under Article 244(1) of constitution defines "Scheduled Areas" as such areas as the President may by order declare to be scheduled areas after consultation with the Governor of that State.

The criteria for declaring any area as a "Scheduled Area" under the Fifth Schedule are:

1. Preponderance of tribal population
2. Compactness and reasonable size of the area.
3. A viable administrative entity such as a district, block or taluk
4. Economic backwardness of the area as compared to neighboring areas.

The specification of "Scheduled Area" in relation to a State is by a notified Order of President of India, after consultation with State Government concerned. The same applies for altering increasing, decreasing, incorporating new areas, or rescinding any orders relating to "Scheduled Area".

HISTORICAL BACKGROUND OF PESA

Colonial rule in India produced several new policies that had deleterious consequences for the indigenous population of the country. In the broadest sense, the British approached the jungles with an overarching goal of bringing 'primitive' peoples under the control of a modern, centralized bureaucracy.

Another major change dealt with forest policies and tribal land displacement. Colonial rule marked the first time in Indian history that a government claimed a direct proprietary right over forests. The British state became the conservator of forests when it passed the Indian Forest Act of 1878. Hundreds of thousands of acres of forest lands that *adivasis* had used unfettered for centuries were suddenly kept in reserve, a practice that did not change for the rest of the colonial period. With British control of the forests came the concomitant rise of moneylenders, traders, and immigrants, and the influx of these new intermediary groups led to widespread *adivasi* land displacement.

Consequently, revolts among the indigenous population became a routine occurrence during colonialism, especially in the nineteenth century. Colonial administrators, however, only directly governed three-quarters of the population of India; the remainder lived in semi-autonomous princely states. These areas did not experience nearly the same level of tribal discontent or conflict. Despite having a reputation as feudal autocrats, many princes pursued liberal policies towards the same tribal groups that rebelled in British India. In Travancore and Cochin, tribal groups were given ownership of their land, government subsidies to improve it, and were shielded by special policies that limited the imposition of the outsiders who were a major problem for *adivasis* throughout British India.

Confronted with struggles and revolts, the British introduced several protective measures for the tribal areas in the hill tracts and started the process of identifying the tribal communities. In 1874, the **Scheduled Districts Act XIV** (Central Act) was passed, under which, Scheduled Districts were defined to mean the territory mentioned in the First Schedule and Parts thereof and would include any other territory to which the Secretary of State for India by resolution in Council may declare. The provincial Government issued rules prescribing the procedure to be followed by the officers appointed there under to administer Agency Tracts. Bihar, for instance had a substantial tribal population largely located in its plateau region (now Jharkhand state). The colonial administration brought in the **Wilkinson**

847
Rules 1839, the Chotanagpur Tenancy Act, 1869 and the Santal Parganas Act, 1855, creating a legal frame work for the protection of the land belonging to tribes following recurrent rebellions in the tribal area. The Regulation I of 1796 laid down the foundations of the preset Santhal Policy, which continues to this date without much alteration. Such protectionary legislation existed in other states as well such as the States of Assam including what was then called the North East, Central India and tribal areas of the Bombay and Madras Presidencies.

The Montague-Chelmsford Reforms (1918) considered the tribal question and excluded them from the Provincial Governments. The Government of India Act, 1919 categorized the excluded territories into two parts, the wholly and the partially excluded. The wholly excluded areas were small while the latter were more extensive and were entrusted to the joint responsibility of the Governor and the Governor-General-in-Council. The Montague-Chelmsford Reforms had suggested that the areas inhabited by the Primitive Tribe Groups should be excluded from the proposed political reforms and should be administered by the Governor of the Province. The tribal issue also attracted the attention of the Indian Statutory Commission (Simon Commission), which considered the inhabitants of their areas being politically not "advanced". They required security of land tenure, protection from subjugation and freedom to pursue their traditional livelihood and customs. The Simon Commission felt that the duty of educating these people could not be left to the missionaries or the individual officials. The Government should earmark funds for such educational and welfare activities. The Commission suggested the whole or partial exclusion of these areas from the ambit of generally administered areas in recognition of these Principles. The Government of India Act, 1935, treated the Scheduled Districts as wholly or partially excluded. A notification to this effect was issued Under Sections 91 of the Government of India Act, 1935. Under Sections 92(1) & (2) of this Act, the administration of these areas was exclusively vested into the Governor of the Province.

Thus colonial government considered the traditional rules and practices of tribal people and provided them with concessional rights, and recognized the autonomy of Tribal Council. Later post independence fathers of Constitution upheld the Tribal Areas as V th and VI th Schedule. These are the history of tribal self- rule during in the Colonial period.

Post Independence

The Constitutional assembly has given much attention to tribal people to protect the tribal culture, customary law, traditional management practices of community resources by ensuring constitutional safeguards such as political, administrative, social and educational. Moreover, constitution upheld the tribal self-rule in the colonial period as Vth and VIth Schedule. Thus, various Committees are appointed to review and improvement of conditions, personnel policy, land alienation, development programmes etc. of Tribal Areas. Following are committees appointed on Tribal Areas.

AV Thakkar was a first committee after independence on determining the areas to be classified as excluded or partially excluded. The committee was submitted its report on August 18, 1947 and the report suggested areas to be excluded and partially excluded in various states. Eg. Lakshdeep Islands, Chittagong Hill tracts (Bengal), Spiti and Lahoul in the Kangra district (Punjab) are excluded areas. The committee also had suggested Tribal Advisory Council, Central Commission, Tribal Minister, Tribal Panchayats etc.

Dhebar commission (1961) on Sch. Areas was appointed to report viz; administration of sch. Areas, functioning of tribal advisory Councils, the laws applicable to, principles to be followed in declaring any territory to be, or to form part of etc. The commission has recommended various aspects particularly criteria for determining Sch. Area under the objective of Fifth Schedule that to ensure protection of the Sch. Tribes and to raise the level of administration in the Sch. Areas.

L P Vidyarthi Committee (1972)

L P Vidyarthi Committee has suggested that Tribal Areas may be categorized as: (a) extremely backward on the basis of the following criteria:

- (i) Density of tribal population in relation to arable land;
- (ii) Position of literacy (less than 5% or less than 50% literacy of the district/ State average);
- (iii) Arable land, forest resources, irrigation facilities, etc.
- (iv) Availability of agricultural infrastructure-land reforms, committee (1978) and
- (v) Development of infrastructure.

R.N.Haldipur Committee (1972)

Planning commission has constituted a Task Force on Development of Tribal Areas, under the chairmanship of Dr. R.N. Haldipur, with following objectives;

- 851
- (i) To review the nature and level of development, identify the present bottlenecks and weaknesses in policies and programmes and suggest corrective measures;
 - (ii) To suggest a perspective of development from 1973-74 to 1988-89 in the light of the overall development perspective envisaged in the Fourth Plan; and
 - (iii) To formulate proposals for the Fifth Plan in the light of the perspective indicating priorities, policies, programmes and outlays.

The committee has divided tribal areas into four categories, (i) States and Union Territories have Tribal Majority, (ii) States have large concentrations of tribal population, (iii) States have substantial tribal population but are in a small minority, (iv) States have scattered tribal population. Tamil Nadu, Kerala and West Bengal are in fourth category. The Committee also has recommended that to review present position and monetary incentives, appointment in the lower category from local communities, as far as possible, qualifications of recruitment, training etc.

These are the important committees and commissions appointed in various times related to the implementation and development of Tribal Areas. The committees have felt that the target with goal of assimilation or integration of tribal communities in to the State ensuring self governing territories or administration. These got incorporated in the Constitution under Article 244 as Fifth and Sixth Scheduled Areas.

Ref. Govt. letter No. 3432/D1/2015/ SCSTDD, dated 2.11.2019.

As per reference cited above, the comments of this department are as follows. The historical background of PESA is also attached as annexure -1

Identification of Habitats

After independence states were formed on the basis of language in all over India. The observation and studies reveals on formation of States on language that pushed away the dialect and culture of tribal people and have become marginalized in the area of education, development and administration. Instead of that there was a possibility to form as Tribal States in geographically to protect the culture and development of tribal people. Later tribal states are formed in Chhattisgarh and Jarkhand. In Kerala Westernghat region was ideal to form a Tribal Area Autonomous District Council. Unfortunately neither declared Scheduled Areas under 5th schedule in Kerala. In this historical juncture for declaration of Scheduled Areas and implementation of PESA is vital and which will help the tribal development in the different administrative practice.

The Constitution does not provide a definition of what should be the unit of area to be included under Scheduled Area. It was entirely political and administrative decision. In Practice, an area with a majority of Scheduled Tribes or with substantial Scheduled Tribe population with the unit of area being a Revenue Village, Panchayath, Block or District. However with the enactment of PESA, the unit of governance came to be the village defined as 'habitation or a group of habitations or a hamlet or a group of hamlets' [Se.4 (b) of PESA], which was subsequently adopted in FRA [Sec.2(p)].

SAI -

In this context this department is furnishing specific remarks for declaration of Schedule Areas as follows;

- (a) Tribal population according to 1961 or 1971 census may taken into account for the process of notifying selected areas as Scheduled Areas if not available the percentage of tribal population in 1951 census. Moreover, consultation shall be made with Oorukootoms or with Adivasi Organisations in selecting the Area or Westernghats region (in Kerala) may be declared as Schedule Area. Top-down approach should be reversed with the bottom-up approach.
- (b) Scheduled Area has to be at least coterminous. The habitations should be grouped appropriately to being separate compact district or even where the area is no contiguous; it can still be a district, just as the Tripura Tribal Area Autonomous District Council.
- (c) **Wayanadu** as whole area, except new formed Municipalities like Sulthan Bathery and Mananthawady and Kalpetta (PESA is applicable only Panchayath and not for Municipal Area) may be declared under Schedule Area, (in 1951 or 1961 the preponderance of the population of the region was tribal people explicitly), on account of its socio-economic status, low literacy rate and backwardness of area. Besides **Nelliyampathy** Panchayath and **Parambikulam** area in Palakkad district; Malayan settlements in **Chimmony** Wildlife Sanctuary in Varandirapiily Panchayath and Kadar settlements in **Athirappilly** Panchayath of Thrissur district; **Malai Pandaram** settlements in Pathanamthitta district and **Kani** settlements in Thiruvanthapuram districts may be declared under Schedule Area.
- (d) The socio-economic survey conducted by KILA in 2008 can be also utilized to determine the proposed Sch. Area.

8A3-

- (e) This department fully agrees with the proposal of 13 wards in Edamalakudy Grama Panchayath (Idukki) with 100% ST population, Pudur, Sholayur and Agali Grama Panchayaths in Palakkad district and 4 wards in Malappuram district with 30-50 percentages ST population and one ward with 88% ST population in Kannur district, to be declared as Sch. Area.

From the socio-economic survey conducted by KILA in 2008, 2391 Ooru has been proposed to be included in the PESA. However in due course similar backward habitats can be selected and included under PESA in phased manner.

Yours Faithfully,

Sd/-

Abstract

SCSTDD - PESA Act – Formulation of general Guidelines -For defining the areas of Grama Sabhas under the Act as Scheduled Areas – High Level Committee - Constituted - Orders -issued.

Scheduled Caste & scheduled Tribes Development (D) Department

G.O (Ms) No.38/17/SCSTDD

Thiruvananthapuram, Dated , 17.05.2017

Read:-Letter No.F.No.18013/1/2015-C&LM-I dated 10.02.2015 from Ministry of Tribal Affairs, Government of India.

ORDER

1. As per the letter read above the Ministry of Tribal Affairs, Government of India had requested to furnish details of Scheduled areas, total population and ST population as per 2011 Census and the names of districts, taluks/cites which are proposed to be declared as Scheduled Tribes areas under the 5th schedule of Indian Constitution.
2. In Kerala, majority of tribal hamlets are located not contiguous or interconnected to each other and such hamlets have only limited inhabitants and limited land in possession. This may lead to many practical inconveniences in the matter of implementation of the Provisions of the Act.
3. No detailed study has been conducted in the matter of feasibility of inclusion of any particular hamlet and no hamlet in Southern Districts of the State starting from Ernakulam to Thiruvananthapuram, except Edamalakudi is seen included. Hence a general guideline has to be formed for the purpose of defining the areas of Grama Sabhas under the PESA Act as Scheduled areas so as to avoid any dispute on the inclusion or non-inclusion of any area under the Act.
4. Government have examined the matter in detail and are pleased to issue orders to constitute a High Level Committee with the following members, for the formulation of general Guidelines for the purpose of defining the areas of Grama Sabha under the PESA Act as Scheduled areas.

1. Additional Chief Secretary, Forest Department	-	Member
2. Additional Chief Secretary, Revenue Department	-	Member
3. Principal Secretary, Local Self Government Department	-	Member

Note for discussion in the High Level Committee Constituted for the formulation of general guidelines for the purpose of re-defining the criteria for declaring Scheduled Areas as per PESA ACT 1996.

Introduction

The provisions of Panchayats (Extension to Scheduled Areas) Act 1996 or PESA is a law enacted by the Government of India for ensuring self governance through traditional Grama Sabha for people living in the Scheduled Areas of India. The PESA Act gives radical governance powers to the tribal community and recognizes its traditional community rights over local natural resources. It accepts the validity of customary law, social and religious practices, and traditional management practices of community resources. Accepting a clear-cut role for the community, it gives wide-ranging powers to Grama Sabhas.

In Kerala, majority of tribal hamlets are located not contiguous or interconnected to each other and such hamlets have only limited inhabitants and limited land in possession. This may lead to many practical inconveniences in the matter of implementation of the Provisions of the Act.

Governments of Kerala vide G.O (MS)No.38/17/SCSTDD, dated 17/05/2017, had constituted a High Level Committee for the formulation of general guidelines for the purpose of defining the areas of Grama Sabha as Scheduled Areas under PESA Act. The Committee convened a meeting on 27/11/2017 and decided as follows.

1. Prepare ward base list showing the number of Tribes and non-Tribal people residing in Wayanad, Palakkad, Idukki, Kannur and Malappuram districts.
2. Find out the Ward/Panchayat/ Municipality with considerable ST population.
3. Prepare list of wards with ST reservation.
4. Based on geographic distribution of ST colonies, examine the possibilities of mapping together these colonies as to contiguous unit.

Also the Ministry of Tribal Affairs (C & LM Division), Government of India, vide letter No. 18016/04/2017- C & LM, dated 01/01/2018, had informed that all revenue villages with 40% and more tribal population according to 1951 Census may be considered as Scheduled Area on merit. Since the criterion of preponderance of Tribal population presently followed for declaration of

Scheduled Areas needed move clarity, and hence it was requested to furnish views regarding the minimum percentage of tribal population in the concerned administrative unit, to render it eligible for declaration as Scheduled Areas.

The Department had furnished specific remarks for re-defining the 4 criteria for declaration of Scheduled Areas under 5th schedule of constitution as follows.

(a). The State of Kerala was formed on 1st November 1956. Hence the percentage of Tribal population, according to 1951 census are not available. The tribal population according to 2011 census may be taken into account for the process of notifying selected areas as Scheduled Areas.

(b). Scheduled Areas in Kerala doesn't exist. Hence the question of contiguity with Scheduled Areas is irrelevant at present.

(c). The minimum constituent unit in Wayanadu, Attappady and Edamalakkudy may be Grama Panchayats and Panchayat ward may be in the case of Malappuram and Kannur districts.

(d). All the proposed areas mentioned above are socially, economically and educationally backward, based on the socio-economic survey conducted and published during November 2013.

Based on the specific remarks furnished above Department has furnished the following proposal, according to 2011 census.

*. 13 wards in Edamalakkudi Grama Panchayat in Idukki district may be considered as Scheduled Area on account of 100% ST population in the area.

*. Pudur, Sholayur and Agali Grama Panchayats in Palakkad districts may be considered as Scheduled Area.

*. On account of its socio-economic status, Wayanadu district, as a whole may be considered as Scheduled Area or 3 Grama Panchayats with more than 30% ST population in the district may be considered.

*. 4 wards in Malappuram district with 30%-50% ST population and one ward with 88% ST population in Kannur district may be considered as Scheduled Area.

Ward wise population of Tribes and non-tribal people residing in Wayanadu, Palakkad, Idukki, Kannur and Malappuram districts are attached separately.

BRIEF NOTE ON PESA ACT 1996

The provisions of Panchayath (Extension to Scheduled Areas) Act 1996 or PESA is a law enacted by the Government of India for ensuring self governance through traditional Grama Sabhas for people living in the Scheduled Areas of India. PESA was enacted on 24 December 1996 to extend the provisions of Part IX of the constitution to Scheduled Areas, with certain exceptions and modifications. PESA sought to enable the Panchayats at appropriate levels and Grama Sabhas to implement a system of self governance with respect to a number of issues such as customary resources, minor forest produce, minor minerals, minor water bodies, selection of beneficiaries, sanctions of projects and control over local institutions. PESA was viewed as a positive development for tribal communities in Scheduled Areas who had earlier suffered tremendously from engagement with modern development processes and from the operation of both colonial laws and statutes made in independent India. The loss of access to forest land, and other community resources had increased their vulnerability. Rampant land acquisition and displacement due to development projects had led to large scale distress in tribal communities living in Scheduled Areas. PESA was seen as a panacea for many of these vulnerabilities and sought to introduce a new paradigm of development where the tribal communities in such Scheduled Areas were to decide by themselves the pace and priorities of their development.

Salient Provisions of PESA ACT

In the Schedule Areas, every village will have a Tribal Grama Sabha (Oorukootam).

In the Schedule areas there will be a minimum of 50% seats reservation of Scheduled Tribes.

The Chairpersons at all levels of the Panchayats in Scheduled areas shall be reserved for Scheduled Tribes.

Every legislation on the Panchayats in Scheduled Areas shall be in conformity with customary law, social and religious practices and traditional management practice of the community resources.

Powers and Authority of the Grama Sabha and Panchayats in Scheduled Tribes.

- a. Grama Sabha has the power to safeguard and preserve the traditions and customs of people, their cultural identity, community resources and customary mode of dispute resolutions.
- b. It also has power to approve plans, programmes and projects for social and economic development, to identify persons as beneficiaries under the poverty alleviation and other programmes etc.
- c. The power to enforce prohibition or to regulate or restrict the sale and consumption of any intoxicant.
- d. The ownership of minor forest produces.
- e. The power to prevent alienation of land in Scheduled Areas and to take appropriate action to restore any unlawfully alienated land of a Scheduled Tribes.
- f. The power to manage village markets
- g. The power to exercise control over money lending to the Scheduled Tribes.
- h. The power to control over institutions and functionaries in all social sectors.
- i. The power to control over local plans and resources for such plans including tribal sub-plans.

Fifth Schedule

The fifth Scheduled under Article 244(1) of constitution defines "Scheduled Areas" as such areas as the President may by order declare to be scheduled areas after consultation with the Governor of that State.

The criteria for declaring any area as a "Scheduled Area" under the Fifth Schedule are:

1. Preponderance of tribal population
2. Compactness and reasonable size of the area.
3. A viable administrative entity such as a district, block or taluk
4. Economic backwardness of the area as compared to neighboring areas.

The specification of "Scheduled Area" in relation to a State is by a notified Order of President of India, after consultation with State Government concerned. The same applies for altering increasing, decreasing, incorporating new areas, or rescinding any orders relating to "Scheduled Area".
