With reference to the views expressed by the candidate Shri Synudeen Sahib S., before the Screening and Selection Committee; it is submitted that

As per the qualifications prescribed (1 a) in the Notification, the Screening and Selection Committee verified the publications and books. But the Committee found that the research papers do not meet the standards of research publication. Though he has many publications and books, most of them are of low standard. The Committee strongly feels that the research publications and books cannot be considered for calculating the API Score because of the following reasons:

i Lack of originality in Journal papers.
ii. No published work of high quality research.
iii. Could not prove that he is actively engaged in research.
iv. Books presented are published by either a predatory publisher or local publisher which lack quality and so cannot be considered for API Score.
v. He has not produced any Ph.D/M.Phil Degrees.
vi. He has not obtained/supervised any funded projects.
vii. No evidence has been submitted regarding contribution to educational innovation, design of new curricula, courses and technology, mediated teaching learning process.

Considering the above facts, the Screening and Selection Committee unanimously decided that he is not qualified for the post of Professor in the Department of Zoology, University of Kerala.

It was finalized with the knowledge of the candidate.

The Committee perused the details of the sixty two (62) applicants for the post of Assistant Professor in Law (Open Competition) provided by the University Office after preliminary verification and processing.

All the applicants were found to meet the minimum requirement regarding age as well as marks for Post Graduate Level Exam (LL.M.).

As regards the other minimum qualification of University Grants Commission (UGC) National Eligibility Test (NET) all sixty two (62) applicants except the following eight (08) applicants were found to have qualified UGC NET.

(1) Dr. Gigimon V.S.

(2) Dr. Manjeri Subin Sunder Raj.

(3) Dr. Asha G.

(4) Dr. Ambily P.

(5) Dr. Subha C.C.

(6) Dr. Summaya H.

(7) Dr. Amrisha Pandey

(8) Shri. Mruthyunjayan V.

From among the above eight (8) applicants, one applicant i.e., Dr. Asha G. has qualified UGC-NET and obtained Ph.D. only in "Management" and hence was found to be not suitable to be considered for the purpose of screening. Shri. Mrithyunjayan V. has not qualified UGC NET in Law and hence his name was not considered for screening.

Out of the aboye eight (08) applicants, the following five (5) applicants have produced evidence to the effect that they have acquired Ph. D. either in accordance with Clause of 4.1. (I) (A) (ii) or proviso to

24/08/2023

Clause of 4.1. (I) (A) (ii) of *"UGC Regulations on Minimum Qualifications for Appointment of Teachers and Other academic Staff in Universities and Colleges and Measures for the Maintenance of Standards in Higher Education, 2018"*. They were therefore found to be qualified to be considered for screening.

(1) Dr. Gigimon V.S.

(2) Dr. Manjeri Subin Sunder Raj.

(3) Dr. Ambily P.

(4) Dr. Subha C.C.

(5) Dr. Summaya H.

Out of the above eight (8) applicants, one applicant i.e., Dr. Amrisha Pandey who had obtained Ph.D. from the University of Leeds was found be qualified to be considered for screening as the University of Leeds was well within the first 500 rank in the world University Rankings specified in Clause of 4.1. (I) (B) of *"UGC Regulations on Minimum Qualifications for Appointment of Teachers and Other academic Staff in Universities and Colleges and Measures for the Maintenance of Standards in Higher Education, 2018"*

The applications were screened by the Committee in the light of the marking scheme as provided in the *"Criteria for Selection of Assistant Professors"* as approved by the Executive Council (EC) of the University vide Agenda Item No. 3 at its meeting held on 30 May 2020. The Committee noted that the criteria approved by the EC was identical to the *"Criteria for Shortlisting of Candidates for Interview for the Post of Assistant Professors in Universities"* and which is found in Table 3A of Appendix II to the *"UGC Regulations on Minimum Qualifications for Appointment of Teachers and Other academic Staff in Universities and Colleges and Measures for the Maintenance of Standards in Higher Education, 2018"*.

The criteria for shortlisting of applicants provided for the assessment of an applicant out of 100 marks with a maximum of 80 marks for "Academic Profile" and a maximum of 10 marks for "Research Publications in peer reviewed or UGC listed journals" and "Teaching / Post-Doctoral Experience" respectively.

Marks secured by the 60 applicants for graduation, post-graduation and M.Phil were verified and they were awarded marks in accordance with the scheme as laid down in serial number 1,2 and 3 of the marking criteria approved by the E.C.

Applicants with Ph.D. were awarded 30 marks in accordance with the marking scheme as provided in serial number 4 of the marking criteria. Applicants with both MPhil and Ph.D. were awarded 30 marks in total. Applicants with UGC-NET were awarded 5 marks and those with UGC NET & JRF were awarded 7 marks instead of 5.

In compliance with the marking criteria as laid down by the EC in serial number six (6) the committee has only awarded marks for "research publications in peer reviewed or UGC listed journals". Marks have not been awarded for books / chapters in edited books / case comments / book reviews / seminar proceedings etc as they have not been mentioned in the criteria. In the case of joint research publications in peer reviewed or UGC listed journals the applicants have been awarded only 1 mark instead of 2. In cases where the total number of authors of a research publication exceeded two the Committee has awarded only 0.5 marks for an author of that research publication. As regards "peer reviewed journals" marks have been awarded for research publications in print as well as online peer reviewed journals since the UGC itself has not distinguished between print and online journals while preparing the CARE List. Research publications accepted for publication in peer reviewed or UGC listed journals have also been considered for award of marks provided it was supported by a letter or certificate or e-mail communication regarding the fact of acceptance. This decision was taken with a view to ensure that the applicants are not penalised for the delay on the part of the publishers to publish the print / online version of the relevant issue. In the case of those research publications which have been accepted for publication in peer reviewed or UGC listed journals the Committee perused the soft copy of the research papers

and has awarded marks only after being satisfied with the quality of the work. The Committee also perused the copies of those research publications already published in peer reviewed or UGC listed journals and marks have been awarded by the committee only after being satisfied with the quality of the work.

The Committee applied its mind to the claims of teaching experience put forward by the various applicants. The marks for teaching experience were allotted keeping in mind the criteria laid down in clause 10 of *"UGC Regulations on Minimum Qualifications for Appointment of Teachers and Other academic Staff in Universities and Colleges and Measures for the Maintenance of Standards in Higher Education, 2018"*. The committee has taken into consideration the declaration in stamp paper submitted by the applicants regarding scale of pay in view of the practical difficulties in obtaining the certificates from various institutions.

Marks awarded by the screening committee by following the procedure as detailed above is provided in Annexure-I. The names of the eight (8) applicants out of the 60 applicants who were screened for the post of Assistant Professor in Law (Open Competition) shortlisted by the screening committee for interview is provided below in alphabetical order.

REPORT OF THE PROCEEDINGS OF THE SCREENING COMMITTEE IN CONNECTION WITH SCREENING THE APPLICATIONS RECEIVED FOR THE POST OF ASSISTANT PROFESSOR IN LAW (TENURE TRACK -OPEN COMPETITION) IN THE UNIVERSITY

The Committee perused the details of the fourteen (14) applicants for the post of Assistant Professor in Law (Tenure Track - Open Competition) provided by the University Office after preliminary verification and processing.

All the applicants were found to meet the minimum requirement regarding age as well as marks for Post Graduate Level Exam (LL.M.).

As regards the other minimum qualification of University Grants Commission (UGC) National Eligibility Test (NET) all fourteen (14) applicants except the following three (3) applicants were found to have qualified UGC NET.

(1) Dr. Ambily P.

(2) Dr. Subha C.C.

(3) Dr. Vishnu Sankar Palaparambil.

Out of the above three (3) applicants two (2) applicants i.e., Dr. Ambily P. and Dr. Subha C.C. have produced evidence to the effect that they have acquired Ph. D. either in accordance with Clause of 4.1. (I) (A) (ii) or proviso to Clause of 4.1. (I) (A) (ii) of *"UGC Regulations on Minimum Qualifications for Appointment of Teachers and Other academic Staff in Universities and Colleges and Measures for the Maintenance of Standards in Higher Education, 2018"* Dr. Vishnu Sankar Palaparambil has informed the university that he has been unable to produce the certificate in accordance with UGC regulations due to delay on the part of the Cochin University of Science and Technology to issue the certificate, which delay has been occasioned by the COVID-19 pandemic. He has however submitted a declaration in stamp paper stating that his PhD. Degree was awarded as per UGC norms. Based on the declaration the committee decided to include him in the screening process. Thus, the three (3) applicants without UGC-NET were found to be qualified to be considered for screening.

The applications were screened by the Committee in the light of the marking scheme as provided in the *"Criteria for Selection of Assistant Professors"* as approved by the Executive Council (EC) of the University vide Agenda Item No. 3 at its meeting held on 30 May 2020 The Committee noted that the criteria approved by the EC was identical to the *"Criteria for Shortlisting of Candidates for Interview*

Applicants with Ph.D. were awarded 30 marks in accordance with the marking scheme as provided in serial number 4 of the marking criteria. Applicants with both MPhil and Ph.D. were awarded 30 marks in total.

Applicants with UGC-NET were awarded 5 marks and those with UGC NET & JRF were awarded 7 marks instead of 5.

In compliance with the marking criteria as laid down by the EC in serial number six (6) the committee has only awarded marks for "research publications in peer reviewed or UGC listed journals". Marks have not been awarded for books , chapters in edited books / case comments / book reviews / seminar proceedings etc as they have not been mentioned in the criteria.
