2.	7	Agriculture Department	<p>The Committee express its displeasure over the improper procedure of the company in issuing orders fixing the salary ceiling for contribution to EPF as Rs. 6,500/- without the approval of the Government which paved the way for employees to approach the High Court. Therefore the Committee recommends that the authorities of the company should be vigilant to avoid these types of procedural lapses in future.</p>	<p>In PCKL, the EPF was implemented w.e.f 1.11.1969 and the contribution at that time was 6.25% of Basic wages/pay and the DA. The PF authorities has enhanced the rate to 8% and 10% and now it is 12%. The employer is contributing equal amount. According to EPF and MP Act 1952, the EPF scheme 1952, the employer need to contribute at the rate of 10% or 12% of the wages for a maximum amount of wages up to the amount stipulated in section 6 of the Act. The ceiling on wages was raised from time to time and the ceiling amount on wages became Rs.6500/- w.e.f 1998 and Rs. 15000/- w.e.f. 2014 as per section 6 of the Act. Employees became</p>																																	

				eligible for pension under the EPF scheme only after 10 years of its introduction i.e. on 2005 only. At that time only, the members could understand that the pension amount is very meagre and this led the members of the scheme to demand for employer's contribution for the entire amount of wages. Now most of the PSUs pay employer's share of contribution without any limit on wages. Members of EPF scheme filed WP(C)21407/2013 before the Hon'ble High Court, which is still pending.
