**SUNNY JOSEPH,**  
*Chairperson,*  
*Committee on Public Accounts.*

## **REPORT**

Regularisation of excess expenditure over Voted Grants/Charged Appropriations as disclosed in the Appropriation Accounts for the years 2016-17 to 2021-22.

2. This Eighty Fourth Report of the Committee contains recommendations for regularisation of excess expenditure over Voted Grants/Charged Appropriations as disclosed in the Reports of the Comptroller and Auditor General of India for the financial years 2016-17 to 2021-22.

3. The Forty First Report of the Committee on Public Accounts (2023-26) presented to the House on 1<sup>st</sup> February, 2024 is the latest Report in this regard. The Committee has taken utmost sincere efforts to clear the volume of pendency in regularisation of excess expenditure and recommends for the regularisation of all cases pertaining to the Appropriation Accounts for the financial years 2016-17 to 2021-22, except those listed in Appendix II.

4. The details of items the Committee could not recommend for regularisation due to the non-submission of notes by the Administrative Departments are listed as Appendix II.

5. The constitution of India envisages that no money is expended by the State Government without the authorisation of the Legislature. As such, the Administrative Departments are not entitled to spend in excess of amounts authorised by the Legislature, and if any excess expenditure is incurred in certain inevitable circumstances, it needs to be regularised as per the provision laid down in the Kerala Budget Manual, 'The Hand Book of Instructions' and Circulars issued by Finance Department from time to time. 'The Hand Book of Instructions' clearly stipulates that the administrative departments shall furnish the notes showing the reason for excess expenditure within a period of two months from the date of presentation of the Appropriation Accounts in the House.

**Conclusion/Recommendation**

6. The Committee observes that the stipulation of time frame regarding the submission of notes is not seen complied with by the Administrative Departments concerned. Therefore, the Committee directs the Finance Department to issue necessary instructions to the Administrative Departments concerned to strictly adhere to the time limit for submission of notes for regularisation of excess expenditure.

7. The Committee reminds that accumulation of excess expenditure in crores of rupees will lead to financial indiscipline and this tendency would undermine the effectiveness of control of the Legislature over expenditure. The Committee recommends that the Administrative Departments should furnish proper estimates at the time of preparation of the Budget and should be watchful in not incurring expenditure exceeding the limit authorised by the Legislature and directs the Finance Department to check the genuineness of the additional requirement of fund and to see whether the same could have been met through supplementary demand.

8. The cases of excess expenditure mentioned in the table below were scrutinised by the Committee in its meeting held on 04.09.2024.

**Reasons for Excess**

During the Financial Year 2015-16 Government of Kerala posted the given below amount to E-Lams. In the budget 2016-17 GoK issued new head of accounts for Kerala Water Authority corresponding to the head of accounts in the year 2015-16. As the head of account under which amounts were posted under E-Lams during 2015-16 was not available in the budget of 2016-17 GoK released these amount in the head of account related to 2015-16 financial year by giving additional authorization vide G.O(Rt.)No.5714/2016/fin dated 04.07.2016.

Item No. 4 was regularised vide G.O(Rt.)No.2990/2017/fin dated 31.03.2017.

The excess in Head of Account 2215-01-101-98 is occurred due to the release of fund in that head instead of H/A 4215 during the financial year 2016-17. Even though the total amount released in major head 2215 and H/A 4215 is with in limit of budget provision mentioned in 4215, there is no balance under major head (2215). Hence there is no excess of release in both the H/As pertaining to Kerala Water Authority.

As per GO(Rt)No.274/2017/WRD dated 30-03-2017 and GO(Rt) No. 266/2017/WRD dated 29-03-2017, the State of Kerala released Rs.1800.00 lakh and Rs. 1244.36 lakh as central share respectively. In addition, re-appropriation for an amount of Rs.1500.00 lakh under State share is also accorded vide G.O (Rt) No. 2932/2017/Fin dated 30.03.2017. The above 3 release orders aggregated to Rs.4544.36 lakh. However the ways and means clearance for withdrawal for an amount of Rs 3044.36 lakh (Rs.1800.00 lakh + Rs.1244.36 lakh) and Rs. 1500.00 lakh was sanctioned in subsequent year ( 31.07.2017 & 29.06.2017 respectively). This has resulted in a total savings of Rs. 4544.36 lakh under the H/A 2215-01-190-99(18)

Vide GO(Rt) No. 2047/2017/Fin dated 16-03-2017, the State of Kerala had released Rs.2000.00 lakh by way of additional authorisation. At the time of issue of final re-appropriation order No. GO(Rt) No. 5228/2017/Fin dated 28-06-2017 the state government limited the re-appropriation to Rs. 604.21 lakh under this h/a which resulted in excess expenditure of Rs. 1395.79 lakh ( Rs.2000.00 Lakh - Rs.604.21 Lakh).

Due to the above reasons there is a net savings of Rs.3148.57 lakh ( Rs.4544.36 lakh- Rs. 1395.79 lakh) occurred under the major head 2215-01-190-99 "Water Supply- Assistance to Public Sector and other undertakings-Grant in Aid" to the Kerala Water Authority.

### III)

Head/Scheme name	Total Grant	Actual Expenditure (in lakhs)	Savings
2215-01 Water Supply	10,00.00	6,20.00	-3,80.00
800 Other Expenditure			
64 Scaling up of rain water harvesting and GWR programme through KRWSA.			
O. 10,00.00			

### Reason for Savings

Initially Rs.420 lakh was released from the budget provision for the year 2016-17 for the implementation of the schemes related to 2015-16 (which was sanctioned during March,2016). The Administrative sanction for the year 2016-17 was given on 25/03/2017. The 2<sup>nd</sup> instalment from the budget provision was released on 31.03.2017 amounting to Rs.200 lakh. Thus expenditure could not be incurred during the period for the schemes for the year 2016-17. Pending bills related to the previous year could also not be settled due to the administrative constraints at the field level. As such the total amount of Rs.640 lakhs was sufficient for the year 2016-17. Hence the savings amounting to Rs.380 lakhs.

## IV)

Head/Scheme name	Total Grant	Actual Expenditure (in lakhs)	Savings
4215-01 Water Supply	60,00.00	32,50.00	-27,50.00
101 Urban Water Supply Scheme			
97 Rehabilitation/Improvement works of Urban Water Supply Scheme			
O. 60,00.00			

**Reason for Savings**

The State of Kerala released Rs.3250.00 lakh against budget provision of Rs.6000.00 lakh under the h/a 4215-01-101-97 (P) during the year 2016-17. The balance amount under this budget head was released through the h/a 2215-01-101-98. This has resulted savings under the head of account 4215-01-101-97

## V)

Head/Scheme name	Total Grant	Actual Expenditure (in lakhs)	Savings
4215-01 Water Supply	16,15.39	9,00.00	-7,15.39
800 Other Expenditure			
93 Project under Legislative Assembly Constituency Asset Development Scheme (LAC ADS)			
O. 20,00.00			
R. -3,84.61			

**Reason for Savings**

As per GO(Rt) No. 270/2017/WRD dated 30-03-2017 the State government released Rs. 715.39 lakh under the h/a 4215-01-800-93 (NP). The ways and means clearance for withdrawal for an amount of Rs. 715.39 lakh was issued on 28/06/2017 which has resulted savings under the head of account 4215-01-800-93 (NP).

In the Circumstances explained above excess/savings may be recommended for regularisation as per article 205 of the constitution of India

Notes have been vetted by audit and remarks pointed out in Audit for incorporation in the final copies are duly incorporated.
