5	Ernakulam	Reconstruction of Chalakkadavu bridge in Pandikkudy -Chellanam Road in Kochi LAC	Kochi	2441	20	100	Administrative sanction has been received for the construction of the bridge at Chalakadavu in Ernakulam district for Rs. 100 lakhs vide G.O.(Rt)No. 1070/2021 /PWD Dated, Thiruvananthapuram, 01/12/2021.However, this work falls on the alignment of the Pandikudy-Chellanam coastal road in the Kochi constituency. Currently, the land acquisition process for the coastal road work is progressing through KRFB.In addition, this bridge needs to be built as per the standards of the coastal road. In this situation, it is not practical for two agencies to work on the same alignment.This information was brought to the notice of Hon. Kochi MLA and as per the decision of the meeting held on 23/02/2023 at the office of Hon. Kochi MLA Shri K. J. Maxi, Hon. MLA directed that the work be carried out through KRFB. A detailed report will be submitted to the government upon receipt.

1	Thiruvananthapuram	Construction of Railway underpass int Edava Kapil	Varkala	1199	100	500	Submitted to Govt through AS Committee vide Ir no.CEPWD/3011/2023-AB3 -BR dtd.26.08.2025	
2	Kollam	Ashtamudy-Pezhumthuruthu Bridge Investigation	Kollam	30	20	100	<p>Joint inspection was conducted with railway officials to discuss the possibility of underpass. Due to limited vertical clearance of 4.40m, technical opinion is sought from PWD Design wing . As per their direction</p> <p>,the present alignment is only suitable for light vehicular underpass with minimum vertical clearance of 4m . Letter submitted to higher authority for further direction regarding this.In response to the letter, CE suggested a proposal for ROB instead of underpass since sufficient approach is available at the site and directed to proceed with the Soil investigation works for ROB only after making proper discussion with Railway Authorities and MLA regarding the proposal. Reported the same in CMT meeting and MLA directed to drop the proposal for ROB considering financial feasibility and also directed to discuss the feasibility of underpass with the railway officials again.</p>
