GOVERNMENT OF KERALA

Abstract

Higher Education Department – Ratification of the action of the Registrar of Cochin University of Science and Technology in having started the self financing Schools of Engineering without the concurrence of Government and created teaching and non-teaching staff- Orders issued.

HIGHER EDUCATION (B) DEPARTMENT

G.O.(Ms)No.59/2021/HEDN Dated, Thiruvananthapuram, 04/02/2021

Read No. VC/SOE/2016-17 dated 16/11/2016 from the Vice Chancellor, Cochin University of Science and Technology.

ORDER

As per the letter read above, the Vice Chancellor, Cochin University of Science and Technology has requested for Government Support and concurrence to the permanent post of Teachers created by the University during 1990's. The syndicate of Cochin University of Science and Technology created 102 teaching and 67 non- teaching posts in the Schools of Engineering under the University and appointments made under their statutes without Government approval, while first appointment of teachers was made in 1999, the last was in 2004. They were paid scales as per UGC/AICTE.

As per the letter read above, the Vice Chancellor, Cochin University of Science and Technology has claimed that the appointments were made exactly in the same manner as in the case of other teaching posts of the University by fixing the qualification as per the UGC/AICTE norms by strictly following the communal reservation policies of the Government and by consulting selection committees and conducting interviews strictly by adhering to UGC/AICTE norms. In this letter he also informed that the appointment was made to the common pool of the teachers of the University using the same Communal Rotation Register for the appointment of the permanent/regular teachers. The promotion of the teachers (under CAS) is also granted strictly following the UGC/AICTE/Government Regulations/ rules/guidelines. Vide the letter read above the Vice Chancellor, Cochin University of Science and Technology has

sought regularization of the appointment made by the syndicate without Government sanction.

In the circumstances, Government have examined the matter in detail and are pleased to ratify the action of the Registrar of Cochin University of Science and Technology in having started the Self Financing Schools of Engineering without the concurrence of Government and created 102 teaching and 67 non teaching staff subject to the following conditions:-

1. All the financial commitments (including salary & pension) should be borne from its (Schools of Engineering) own revenue.
2. The present practice of maintaining separate account for these Schools should continue.
3. Since the school of Engineering under CUSAT remains to be a self financing institution (a separate entity), hereafter, staff selection procedure also to be made separate.
4. Periodical hike of fee from students should be made as done in other self financing Engineering Colleges.
5. The accounts should be subject to audit by the Kerala State Audit Department. The excess posts -both teaching and non teaching - if found, should be abolished.
