

Due to the floods in the State, the National Seminar of Women Legislators scheduled for September 2018 as part of the prestigious 'Festival on Democracy' needs to be postponed. We earnestly attempted to come up with an alternative date, but it would be too impractical at this time. The revised date for the postponed programme will be informed later. We are sorry for the inconvenience caused and would like to be in touch with you as early as possible. Any queries about the postponement can be addressed to *secretary@niyamasabha.nic.in*
